## TRADEMARK SECURITY AGREEMENT

### (Trademark Registrations, Trademark Applications and Exclusive Trademark Licenses)

**WHEREAS**, The Arts Institutes International, LLC, an Arizona nonprofit limited liability company (herein referred to as “**Grantor**”), owns, or in the case of licenses is a party to, the Trademark Collateral (as defined below);

**WHEREAS**, Education Principle Foundation (“**Company**”), certain Subsidiaries of Company, as Guarantors, the Lenders party thereto from time to time and Cortland Capital Market Services LLC, as Collateral Agent are parties to a Senior Secured Second Amended and Restated Credit and Guaranty Agreement dated as of March 31, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”);

**WHEREAS**, pursuant to (i) a Pledge and Security Agreement dated as of March 31, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) among the Company, the Grantors party thereto and Cortland Capital Market Services LLC, as Collateral Agent for Secured Parties referred to therein (in such capacity, together with its successors in such capacity, “**Grantee**”), and (ii) certain other Collateral Documents (including this Trademark Security Agreement), Grantor has secured the Secured Obligations (as defined in the Security Agreement) or its guarantee thereof, as applicable, (the “**Grantor’s Secured Guarantee**”) by granting to Grantee for the benefit of such Secured Parties a continuing security interest in personal property of Grantor, including all right, title and interest of Grantor in, to and under the Trademark Collateral (as defined below); and

**WHEREAS**, Grantor has duly authorized the execution, delivery and performance of this Trademark Security Agreement;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in order to induce the Lenders to make Loans and other financial accommodations to Company pursuant to the Credit Agreement, Grantor agrees, for the benefit of Secured Parties as follows:

**1. Grant of Security Interest.** For the benefit of Secured Parties to secure payment, performance and observance of the Secured Obligations, Grantor pledges and grants to Grantee, a continuing security interest in, and a right of set-off against, and agrees to assign, transfer and convey, upon demand made upon the occurrence and during the continuance of an Event of Default without requiring further action by either party and to be effective upon such demand, all of Grantor’s right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the “**Trademark Collateral**”), whether now owned or existing or hereafter acquired or arising:

- (i) each Trademark owned by Grantor, including, without limitation, each Trademark registration and application referred to in Schedule 1 hereto, but in all cases excluding any intent-to-use (ITU) United States trademark application for which an amendment to allege

use or statement of use has not been filed under 15 U.S.C. § 1051(c) or 15 U.S.C. § 1051(d), respectively, or, if filed, has not been deemed in conformance with 15 U.S.C. § 1051(a), or examined and accepted, respectively, by the United States Patent and Trademark Office, in each case, only to the extent the grant of security interest in such intent-to-use Trademark is in violation of 15 U.S.C. § 1060 and only unless and until a “Statement of Use” or “Amendment to Allege Use” is filed, has been deemed in conformance with 15 U.S.C. §1051(a) or examined and accepted, respectively, by the United States Patent and Trademark Office at which point such Trademarks shall automatically be subject to the security interest granted herein and be deemed to be included as Trademark Collateral; and

(ii) each exclusive Trademark License to which Grantor is a party, including, without limitation, each exclusive Trademark License identified in Schedule 1 hereto.

Grantor irrevocably constitutes and appoints Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney in fact with full power and authority in the name of Grantor or in Grantee’s name, from time to time, in Grantee’s discretion, so long as any Event of Default shall have occurred and be continuing, to take with respect to the Trademark Collateral any and all appropriate action which Grantor might take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary or desirable to carry out the terms of this Trademark Security Agreement and to accomplish the purposes hereof.

Except to the extent expressly permitted in the Security Agreement or the Credit Agreement, Grantor agrees not to sell, license, exchange, assign or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Trademark Collateral.

**2. Purpose.** This Trademark Security Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office or the comparable state agency. The security interest granted hereby has been granted to Grantee in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

**3. Acknowledgement.** The foregoing security interest is granted in conjunction with the security interests granted by Grantor to Grantee pursuant to the Security Agreement. Grantor acknowledges and affirms that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Trademark Security Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

**4. Definitions.** Unless otherwise defined herein or the context otherwise requires, terms used in this Trademark Security Agreement, including its preamble and recitals, have the meanings ascribed thereto in the Security Agreement or the Credit Agreement, as applicable.

**5. Counterparts.** This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of this Trademark Security Agreement by electronic mail shall be equally as effective as delivery of an original executed counterpart of this Trademark Security Agreement. Any party delivering an executed counterpart of this Trademark Security Agreement by electronic mail also shall deliver an original executed counterpart of this Trademark Security Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability and binding effect of this Trademark Security Agreement.

**6. Governing Law.** THIS TRADEMARK SECURITY AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

**[Remainder of Page Intentionally Left Blank; Signature Page Follows]**
