WITNESSETH:

WHEREAS, the Pledgors are party to a Security Agreement dated as of April [9], 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”) in favor of the Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Senior Secured Term Loan Credit Agreement, dated as of April 3, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among XPO Logistics, Inc., a Delaware corporation (“Borrower”), the other credit parties signatory thereto, the Agent and the lenders from time to time party thereto, and to induce the applicable lenders to enter into Additional Pari Passu Lien Obligations Documents (if any) from time to time, the Pledgors hereby agree with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Secured Obligations, each Pledgor hereby pledges and grants to the Agent for the benefit of the Secured Parties, a Lien on and security interest in all of the right, title and interest of such Pledgor in, to and under the following Collateral, wherever located, and whether now existing or hereafter arising or acquired from time to time (collectively, and, in each case, excluding any Excluded Property, the “Trademark Collateral”):

(a) (A) all trademarks, trade names, domain names, corporate names, business names, trade dress, service marks, logos, other source or business identifiers, all Registrations and recordings thereof; and all applications in connection therewith, including Registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state or territory thereof, or any other country or any political subdivision thereof, including those set forth on Schedule I to this Trademark Security Agreement; (B) all renewals thereof; and (C) all Goodwill associated with any of the foregoing, together with any and all (i) rights and privileges arising under applicable law with respect to such Pledgor's ownership or use of any trademarks, (ii) income, fees, royalties, damages and payments now or hereafter due and/or payable to Pledgor thereunder and with respect thereto, including damages, claims and payments for past, present or future infringements thereof, (iii) rights corresponding thereto throughout the world and (iv) rights to sue for past, present and future infringement thereof;

(b) all Goodwill associated with such Trademarks; and

(c) all Proceeds of any and all of the foregoing.

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted concurrently and in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to be inconsistent with or in conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts (including via “DocuSign” or other electronic means) and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Delivery of any executed counterpart of a signature page of this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 5. Governing Law. THIS TRADEMARK SECURITY AGREEMENT SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. Intercreditor Agreements. Each Person to whom or for whose benefit a Lien is granted hereunder, by accepting the benefits of the security provided hereby, (i) consents (or is deemed to consent), to the subordination of Liens provided for in any applicable Intercreditor Agreement, (ii) agrees (or is deemed to agree) that it will be bound by, and will take no actions contrary to, the provisions of any applicable Intercreditor Agreement, (iii) authorizes (or is deemed to authorize) the Agent on behalf of such Person to enter into, and perform under, any applicable Intercreditor Agreement and (iv) acknowledges (or is deemed to acknowledge) that a copy of any applicable Intercreditor Agreement was delivered, or made available, to such Person. Notwithstanding any other provision contained herein, this Trademark Security Agreement, the Liens created hereby and the rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of any applicable Intercreditor Agreement and, to the extent provided therein, the applicable Security Documents (as defined in the ABL Intercreditor Agreement or the Pari Passu Intercreditor Agreement, as applicable). In the event of any conflict or inconsistency between the provisions of this Trademark Security Agreement and any applicable Intercreditor Agreement, the provisions of any applicable Intercreditor Agreement shall control. To the extent that any Intercreditor Agreement provides for certain rights in favor of the administrative agent or collateral agent party thereto, the terms of such Intercreditor Agreement shall control in the event of any conflict with the terms of this Trademark Security Agreement.
