GRANT OF A SECURITY INTEREST -- TRADEMARKS

This Trademark Security Agreement (this “Trademark Security Agreement”) is made as of April 13, 2020, by each of the Grantors listed on the signature pages hereto (each a “Grantor” and collectively, the “Grantors”), in favor of TCG Senior Funding L.L.C., in its capacity as Administrative Agent for itself and the other Lender Parties (together with its successors in such capacity, the “Grantee”). All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement (as defined below).

WHEREAS, each Grantor is the record owner of the Trademarks set forth across from such Grantor’s name listed on the attached Schedule A;

WHEREAS, each Grantor has entered into a Pledge and Security Agreement, dated April 13, 2020 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”), in favor of the Grantee; and

WHEREAS, pursuant to the Security Agreement, each Grantor has granted to the Grantee for the benefit of the Lender Parties (as defined in the Security Agreement), a continuing security interest in all right, title and interest of such Grantor in, to and under the Trademarks to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement).

NOW, THEREFORE, as collateral security for the payment, performance and observance of all of the Secured Obligations, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor does hereby grant to the Grantee, for the benefit of the Lender Parties, a continuing security interest in the Trademarks to secure the prompt payment, performance and observance of the Secured Obligations.

Each Grantor does hereby further acknowledge and affirm that the rights and remedies of the Grantee with respect to the Trademarks are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart by facsimile or electronic mail shall be equally effective as delivery of an original executed counterpart.

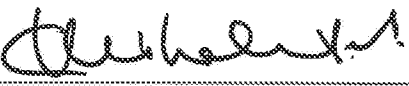

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first set forth above.
