## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of April 16, 2020, is executed by CENTRAL INDIANA HARDWARE CO., INC., an Indiana corporation (together with its successors and assigns, "Grantor"), in favor of J.P. MORGAN CHASE BANK, N.A. (the "Lender").

### Recitals

A. Grantor, as Borrower, the Lender, and the other Loan Parties are entering into an Credit Agreement dated as of even date herewith (as it may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement").

B. In connection with the Credit Agreement, Grantor has entered into a Pledge and Security Agreement, dated as of even date herewith, by and among Grantor, the other Loan Parties and Lender (as the same may be amended, restated, supplemented or otherwise modified from time to time and at any time, the "Security Agreement").

C. Pursuant to the terms of the Security Agreement, Grantor has granted to the Lender a security interest in substantially all the assets of the Grantor, including all right, title and interest of Grantor in, to and under all now owned or hereafter acquired Trademarks (as hereinafter defined), to secure the payment of all amounts owing by Grantor under the Credit Agreement and the Security Agreement.

D. Grantor is entering into this Agreement to perfect by filing in the United States Patent and Trademark Office the security interest of the Lender in Grantor's Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Grantor hereby agrees as follows:

1. Defined Terms. Each capitalized term used herein without definition shall have the meaning ascribed to such term in the Security Agreement or the Credit Agreement, as applicable.

2. Grant. To secure the prompt payment, performance and observance of the Secured Obligations, Grantor grants to the Lender a continuing security interest in all of Grantor's right, title and interest in, to, and under the following, whether now existing or hereafter created or acquired (collectively, the "Trademarks"):

- (a) all trademarks (including service marks), including, without limitation, those marks identified on Schedule I attached hereto, trade names, trade dress, and trade styles and the registrations and applications for registration thereof and the goodwill of the business symbolized by the foregoing;
- (b) all licenses of the foregoing, whether as licensee or licensor;
- (c) all renewals of the foregoing;
- (d) all income, royalties, damages, claims and payments now or hereafter due or payable with respect thereto, including, without limitation, damages, claims, and payments for past and future infringements thereof;

- (e) all rights to sue for past, present, and future infringements of the foregoing, including the right to settle suits involving claims and demands for royalties owing;
- (f) all rights corresponding to any of the foregoing throughout the world; and
- (g) all accessions to, substitutions for, and replacements, proceeds and products of the foregoing;

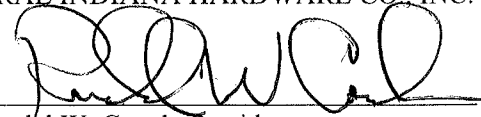

provided, that term "Trademarks" shall not include any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the United States Patent and Trademark Office of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be included within the definition of "Trademarks" hereunder.

3. Security Agreement. The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Lender pursuant to the Security Agreement and subject to the limitations set forth therein. Grantor acknowledges and affirms that the rights and remedies of the Lender with respect to the security interest in the Trademarks made and granted in this Agreement are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
