NOTICE OF GRANT OF SECURITY INTEREST IN TRADEMARKS

Pursuant to the Security and Pledge Agreement dated as of March 3, 2015 (as the same may be amended, modified, extended or restated from time to time, the "Agreement") by and among the Obligors party thereto (each an "Obligor" and collectively, the "Obligors") and Bank of America, N.A., as Administrative Agent (the "Administrative Agent") for the holders of the Secured Obligations referenced therein, the undersigned Obligor has granted a continuing security interest in and a right to set off against the trademarks and trademark applications shown on Schedule 1 below to the Administrative Agent for the benefit of the holders of the Secured Obligations. Notwithstanding anything to the contrary contained herein, the security interests granted under the Agreement shall not extend to and the Collateral shall not include (a) Excluded Property, or (b) any United States intent-to-use trademark applications only to the extent that, and solely during the period in which the grant of a security interest therein would impair the validity or enforceability of or render void or result in the cancellation of, any registration issued as a result of such intent-to-use trademark applications under applicable Law; provided, that, upon submission and acceptance by the USPTO of an amendment to allege pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered Collateral.

[signature pages follow]

The undersigned Obligor and the Administrative Agent, on behalf of the holders of the Secured Obligations, hereby acknowledge and agree that the security interest in the foregoing trademarks and trademark applications (i) may only be terminated in accordance with the terms of the Agreement and (ii) is not to be construed as an assignment of any trademark or trademark application.
