WHEREAS, Intersections Inc., a Delaware corporation (the “Assignor”) has adopted, used and is using, and holds all right, title and interest in and to, the trademarks and service marks listed on the attached Schedule A, which trademarks and service marks are registered or applied for in the United States Patent and Trademark Office (the “Trademarks”);

WHEREAS, the Assignor has entered into a Pledge and Security Agreement, dated February 13, 2019 (as amended, restated, supplemented, modified or otherwise changed from time to time, the “Security Agreement”), in favor of Cerberus Business Finance Agency, LLC, as the Collateral Agent for itself and certain lenders (in such capacity, together with its successors and assigns, if any, the “Assignee”); and

WHEREAS, pursuant to the Security Agreement, the Assignor has assigned to the Assignee and granted to the Assignee for the benefit of the Secured Parties (as defined in the Security Agreement) a continuing security interest in all right, title and interest of the Assignor in, to and under the Trademarks, together with, among other things, the good-will of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof (the “Collateral”), to secure the payment, performance and observance of the Secured Obligations (as defined in the Security Agreement); provided, however, the foregoing Collateral shall not include any Excluded Collateral (as defined in the Security Agreement);

The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.
