TRADEMARK SECURITY AGREEMENT  
(SHORT-FORM)

TRADEMARK SECURITY AGREEMENT, dated as of April 21, 2020 (this “Agreement”) among EVERI PAYMENTS INC., a Delaware corporation (the “Borrower”), the other Grantors identified herein and JEFFERIES FINANCE LLC, as Collateral Agent for the Secured Parties.

Reference is made to that certain Security Agreement, dated as of April 21, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Security Agreement”), among the Borrower, the other Grantors identified therein and who from time to time become a party thereto and the Collateral Agent. The Secured Parties’ agreements in respect of extensions of credit to the Borrower are set forth in the Term Loan Credit Agreement, dated as of April 21, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the Borrower, Everi Holdings Inc., Jefferies Finance LLC, as Administrative Agent and Collateral Agent, and each lender from time to time party thereto (collectively, the “Lenders” and individually, a “Lender”). The Guarantors are affiliates of the Borrower, will derive substantial benefits from the extension of credit to the Borrower pursuant to the Credit Agreement, and the undersigned Grantors are willing to execute and deliver this Agreement in order to induce the Lenders to extend such credit. Accordingly, the parties hereto agree as follows:

Section 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Article I of the Credit Agreement also apply to this Agreement.

Section 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, including the Guarantees, each Grantor, pursuant to and in accordance with the Security Agreement, did and hereby does pledge to the Collateral Agent for the benefit of the Secured Parties, and did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title and interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Grantor or in which such Grantor now has or at any time in the future may acquire any right, title or interest (collectively, the “Trademark Collateral”):

(a) all trademarks, service marks, trade names, corporate names, trade dress, logos, designs, fictitious business names, other source or business identifiers protected under the laws of the United States or any state or political subdivision thereof, all registrations and recordings thereof, all registration and recording applications filed in connection therewith in the USPTO, and all renewals thereof, as well as any unregistered trademarks and service marks used by a Grantor, including those listed on Schedule I hereto, (b) all goodwill connected with the use thereof and symbolized thereby; *provided* that the grant of security interest shall not include any “intent-to-use” trademark applications prior to the filing and acceptance of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, (c) all Proceeds and products of any of the foregoing, and (d) all causes of action arising prior to or after the date hereof for infringement of any of the foregoing or unfair competition regarding the same.

Section 3. Termination. This Trademark Security Agreement and the security interest granted hereby (in each case, as to an individual Grantor) shall automatically terminate with respect to all

of a Grantor's Obligations and any Lien arising therefrom shall be automatically released upon termination of the Security Agreement or release of such Grantor's obligations thereunder. The Collateral Agent shall, in connection with any termination or release herein or under the Security Agreement, execute and deliver, at the sole expense of the Grantors, to any Grantor as such Grantor may request, an instrument in writing releasing the security interest in the Trademark Collateral acquired under this Agreement. Additionally, upon such satisfactory performance or payment, the Collateral Agent shall reasonably cooperate, at the sole expense of the Grantors, with any efforts made by a Grantor to make of record or otherwise confirm such satisfaction including, but not limited to, the release and/or termination of this Agreement and any security interest in, to or under the Trademark Collateral.

Section 4. Supplement to the Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Governing Law. The terms of Section 11.14 of the Credit Agreement with respect to governing law are incorporated herein by reference, *mutatis mutandis*, and the parties hereto agree to such terms.
