INTELLECTUAL PROPERTY SECURITY AGREEMENT SUPPLEMENT

(Patents, Patent Applications and Patent Licenses) and (Trademark, Trademark Registrations, Trademark Applications and Trademark Licenses)

WHEREAS, HUB FOLDING BOX COMPANY, INC., a Massachusetts corporation (herein referred to as the "Grantor") owns, or in the case of licenses is a party to, the Intellectual Property Collateral (as defined below);

WHEREAS, the Parent, Original Borrower, among others, certain lenders and THE HONGKONG AND SHANGHAI BANKING CORPORATION LIMITED, as agent, are parties to a facilities agreement dated 20 January 2020 (as amended, supplemented or otherwise modified from time to time); and

WHEREAS, pursuant to (i) a Security Agreement dated as of April 28, 2020 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement") entered into between the Grantor and THE HONGKONG AND SHANGHAI BANKING CORPORATION LIMITED, as Security Agent (the "Security Agent", which expression shall include its successors, assigns and transferees) and (ii) certain other Security Agreement Documents, the Grantor has secured the Secured Liabilities (as defined in the Security Agreement) by granting to the Security Agent as security trustee for the Secured Parties (as defined in the Security Agreement) a continuing security interest in personal property of the Grantor, including all right, title and interest of the Grantor in, to and under the Intellectual Property Collateral (as defined below);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor grants to the Security Agent, to secure the Secured Liabilities, a continuing security interest in all of the Grantor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Intellectual Property Collateral"), whether now owned or existing or hereafter acquired or arising:

(i) each registered, issued or applied-for United States Patent (as defined in the Security Agreement) owned by the Grantor and referred to in Schedule 1 hereto; and

(ii) each registered, issued or applied-for United States Trademark (as defined in the Security Agreement) owned by the Grantor and referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark.

The foregoing security interest is granted in conjunction with the security interests granted by the Grantor to the Security Agent pursuant to the Security Agreement. The Grantor acknowledges and affirms that the rights and remedies of the Security Agent with respect to the security interest in the Intellectual Property Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Intellectual Property Security Agreement Supplement shall be governed by, and construed in accordance with, the laws of the State of New York. The Grantor agrees that any suit

for the enforcement of this Intellectual Property Security Agreement Supplement may be brought in the courts of the State of New York or any federal court sitting therein and consents to the non-exclusive jurisdiction of such court and to service of process in any such suit being made upon the Grantor by mail at the address specified in the Security Agreement. The Grantor hereby waives any objection that it may now or hereafter have to the venue of any such suit or any such court or that such suit is brought in an inconvenient court.

This Intellectual Property Security Agreement Supplement may be executed in two or more separate counterparts, each of which shall constitute an original and all of which shall collectively and separately constitute one and the same agreement.

In case of any inconsistencies between the terms of this Intellectual Property Security Agreement Supplement and those of the Security Agreement, the Security Agreement shall prevail.

[Remainder of page left blank intentionally; signatures follow.]

IN WITNESS WHEREOF, the Grantor has caused this Intellectual Property Security Agreement Supplement to be duly executed by its officer thereunto duly authorized as of the 28th day of April, 2020.
