NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

DEFINED TERMS. All initially capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement or, if not defined therein, in the Note Purchase Agreement.

GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby unconditionally grants, assigns, and pledges to Purchaser, for the benefit of each member of the Purchaser Group, to secure the Secured Obligations, a continuing security interest (referred to in this Trademark Security Agreement as the “Security Interest”) in all of such Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising (collectively, the “Trademark Collateral”):

all of its Trademarks and Trademark Intellectual Property Licenses (to the extent such Trademark Intellectual Property Licenses do not constitute Excluded Collateral) to which it is a party including those referred to on Schedule I;

all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark Intellectual Property License (to the extent such Trademark Intellectual Property Licenses do not constitute Excluded Collateral); and

all products and proceeds (as that term is defined in the Code) of the foregoing, including any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademarks exclusively licensed under any Intellectual Property License, including right

Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by Grantors, or any of them, to Purchaser, the Purchaser Group, or any of them, whether or not they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

SECURITY AGREEMENT. The Security Interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interests granted to Purchaser, for the benefit of the Purchaser Group, pursuant to the Security Agreement. Without limiting Grantors' obligations under this Section, Grantors hereby authorize Purchaser unilaterally to modify this Trademark Security Agreement by amending Schedule I to include any such new trademark rights of each Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Purchaser's continuing security interest in all Collateral, whether or not listed on Schedule I.
