## INTELLECTUAL PROPERTY ASSIGNMENT

Pursuant to a separate agreement by and between Pressure Systems International, Inc., a Texas corporation ("Assignor"), and Equalaire Systems, Inc., a Texas corporation ("Assignee"), and for consideration set forth therein and for further good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, Assignor acknowledges and agrees as follows:

1. **Assignment.** Assignor hereby irrevocably conveys, transfers, and assigns to Assignee all of Assignor's right, title, and interest in and to all intellectual property and industrial property rights and assets set forth on Schedule 1, including without limitation any and all: (a) trademarks, service marks, trade names, brand names, logos, trade dress, and design rights, together with the rights of first use, goodwill connected with the use of and symbolized by, and all registrations, applications and renewals for, any of the foregoing; (b) patents (including all reissues, divisionals, provisionals, continuations and continuations-in-part, re-examinations, renewals, substitutions and extensions thereof), patent applications, and other patent rights and any other governmental authority-issued indicia of invention ownership (including inventor's certificates, petty patents and patent utility models), and all inventions disclosed therein; (c) royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and (d) all rights to any actions of any nature available to or being pursued by Assignor to the extent related to the foregoing, whether accruing before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive relief for infringement, dilution, misappropriation, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief, and to collect, or otherwise recover, any such damages (collectively, the "Assigned IP").
2. **Recordation and Further Actions.** Assignor hereby authorizes the Commissioner for Patents and the Commissioner for Trademarks in the United States Patent and Trademark Office, and the officials of corresponding entities or agencies in any applicable jurisdictions to record and register this IP Assignment upon request by Assignee. Following the date hereof, upon Assignee's reasonable request, and at Assignee's sole cost and expense, Assignor shall take such steps and actions, and provide such cooperation and assistance to Assignee and its successors, assigns, and legal representatives, including the execution and delivery of any affidavits, declarations, oaths, exhibits, assignments, powers of attorney, or other documents, as may be reasonably necessary to effect, evidence, or perfect the assignment of the Assigned IP to Assignee, or any assignee or successor thereto.
