WHEREAS, Grantor has executed and delivered in favor of Agent for the benefit of the Secured Parties that certain Security Agreement dated as of March 1, 2019 (as amended, amended and restated, supplemented or otherwise modified and in effect from time to time, the “**Security Agreement**”); and

WHEREAS, pursuant to the Security Agreement, Grantor has granted to Agent for the benefit of the Secured Parties a security interest in, among other things, all right, title and interest of Grantor in and to the Trademark Collateral to secure the prompt and complete payment, performance and observance of all Grantor’s Secured Obligations;

NOW, THEREFORE, in consideration of the premises and the agreements, provisions and covenants herein contained, Grantor agrees as follows:

1. Incorporation of Security Agreement. The Security Agreement, and the terms and provisions thereof, are hereby incorporated herein in their entirety by this reference thereto.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the prompt and complete payment, performance and observance of all Grantor’s Secured Obligations, Grantor hereby grants to Agent for the benefit of the Secured Parties (and hereby ratifies, confirms and reaffirms its grant pursuant to the Security Agreement of) a continuing security interest in all of the following property and interests in property of Grantor, whether now owned and existing or hereafter acquired or arising:

- (a) all of the Trademarks, and all registrations and applications thereof;
- (b) all extensions or renewals of any of the foregoing Trademarks;
- (c) all of the goodwill of the business connected with the use of and symbolized by the foregoing Trademarks;

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 of the Security Agreement attach to any intent-to-use trademark application prior to the filing of a "Statement of Use" or "Amendment to Allege Use" with respect thereto, to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark application under applicable federal law.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Agreement is deemed to conflict or is inconsistent with the Security Agreement, the provisions of the Security Agreement shall govern and control.

This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.
