SUPPLEMENT TO TRADEMARK SECURITY AGREEMENT

This SUPPLEMENT TO TRADEMARK SECURITY AGREEMENT (as amended, restated, supplemented or otherwise modified from time to time, this “Agreement”) dated as of May 1, 2020, is made by AGS LLC, a Delaware limited liability company (the “Pledgor”), in favor of Jefferies Finance LLC, as Collateral Agent (as defined below).

Reference is made to the Collateral Agreement dated as of June 6, 2017 (as amended, restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among AP GAMING I, LLC (the “Borrower”), each Subsidiary of the Borrower identified therein and JEFFERIES FINANCE LLC, as collateral agent (together with its successors and assigns in such capacity, the “Collateral Agent”) for the Secured Parties (as defined therein). The parties hereto agree as follows:

SECTION 1. *Terms.* Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. *Grant of Security Interest.* As security for the payment and performance when due, as the case may be, in full of the Secured Obligations, the Pledgor pursuant to the Collateral Agreement did, and hereby does, grant to the Collateral Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a security interest in all of such Pledgor’s right, title and interest in or to any and all of the following assets now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, but excluding any Excluded Property, the “IP Collateral”):

(i) all Trademarks of the United States, including those listed on Supplement to Schedule I, which shall constitute part of and an addition to Schedule I to the Trademark Security Agreement;

provided, however, that the foregoing pledge, assignment and grant of security interest will not cover any “intent-to-use” applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) or 1(d) of the Lanham Act has been filed, to the extent, if any, that any assignment of an “intent-to-use” application prior to such filing would violate the Lanham Act.

SECTION 3. *Collateral Agreement.* The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the IP Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. *Counterparts*. This Agreement may be executed in two or more counterparts, including by facsimile or other electronic means, each of which shall constitute an original and all of which shall together constitute one and the same document.

SECTION 5. *Governing Law*. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.
