TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (“**Agreement**”) is made and entered into as of April 24, 2020 (“**Effective Date**”) by and between Rockstar, Inc. (“**Assignor**”), a Nevada corporation and PepsiCo, Inc. (“**Assignee**”) a North Carolina corporation. Assignor and Assignee are sometimes individually referred to herein as a “Party” and collectively as the “Parties.”

RECITALS

A. Assignor is the owner of the entire right, title and interest in and to certain trademark applications and registrations listed in the attached Exhibit A (the “**Trademarks**”).

B. Assignor, Assignee, Rockstar Beverage Corporation, a Nevada corporation, Rockstar Brewing Co. Inc., a Nevada corporation, Yachak, LLC, a Nevada limited liability company, Russell G. Weiner, an individual citizen of the United States and resident of the State of Florida, and Janet A. Weiner, an individual citizen of the United States and resident of the State of California, are parties to the Asset Purchase Agreement (the “**Purchase Agreement**”), dated as of March 10, 2020. Capitalized terms used but not defined herein shall have the respective meanings ascribed to such terms in the Purchase Agreement.

C. In exchange for the consideration recited below, Assignor agrees to assign to Assignee all of Assignor’s right, title and interest in and to the Trademarks, together with the goodwill of the business associated therewith.

AGREEMENT

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, Assignor and Assignee agree as follows:

1. Assignment of Trademark Rights. Assignor hereby irrevocably sells, transfers, conveys, sets over and assigns to Assignee, and Assignee does hereby accept: (a) all right, title and interest in and to the Trademarks, together with the goodwill of the business associated therewith and all common law and statutory right, title and interest in and to the Trademarks, and all rights of registration, maintenance, renewal and protection thereof, throughout the world, including the right to sue for past infringements, (b) all royalties, fees, income, payments, and other proceeds now or hereafter due or payable to the Assignor with respect to any of the foregoing, (c) all claims, causes of action and enforcement rights, whether currently pending, filed, or otherwise, with respect to the Trademarks and (d) all other rights, privileges, protections or obligations, liabilities and responsibilities of any kind whatsoever of Assignor accruing under any of the foregoing. Assignor hereby authorizes Assignee to file in Assignee’s own name applications for trademark and service mark registrations in connection with the Trademarks, and to secure in Assignee’s own name the registrations granted thereon.

2. **Cooperation and Further Assurances.** Assignor agrees to reasonably cooperate fully with Assignee and to execute such further instruments, documents and agreements, to give such further written assurances and to take such further actions, as may be reasonably requested by Assignee (at the expense of Assignee) to better evidence and reflect the transactions described herein and contemplated hereby, and as necessary to carry into effect the intents and purposes of this Agreement. To the extent that the ownership of any trademarks are still reflected in the name of Russell G. Weiner, Assignor represents that Mr. Weiner will cooperate as reasonably necessary, and covenants and agrees to cause Mr. Weiner to cooperate as reasonably necessary, to sign any further assignment or related documentation required in order to carry out the intent of the Parties.

3. **Successors and Assigns.** This Agreement shall inure to the benefit of and be binding on the successors and assigns of Assignor and Assignee.

4. **Entire Agreement.** This Agreement may not be amended or modified unless mutually agreed upon in writing by Assignor and Assignee and no waiver will be effective unless signed by the Party from whom such waiver is sought. The waiver by any Party of a breach of any provision of this Agreement will not operate or be construed as a waiver of any subsequent breach.

5. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, and all of which taken together shall constitute one and the same instrument. Photographic, fax, and/or scanned copies of such signed counterparts may be used in lieu of the originals of this Agreement for any purpose, and shall be deemed as effective as an original signature.

6. **Provisions Severable.** If any provision of this Agreement is held invalid by any court of competent jurisdiction, such invalidity will not affect the validity or operation of any other provision, and the invalid provision will be deemed severed from this Agreement. This Agreement shall be deemed the joint work product of Assignor and Assignee without regard to the identity of the draftsman, and any rule of construction that a document shall be interpreted or construed against the drafting party shall not apply.

7. **Governing Law.** The laws of the State of Delaware shall govern this Agreement.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Agreement to be executed as of the Effective Date.
