U.S. Federal	MIEDGE	RN: 4169240
New Hampshire	MIEDGE	RN: 788847

The trademarks are hereafter collectively referred to as the "Marks." The Marks and the patent application are collectively referred to as the "Intellectual Property."

WHEREAS, Assignee wants to acquire all of Assignor's right, title, and interest in and to the Intellectual Property and Assignor is willing to assign the Intellectual Property to the Assignee.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows.

Assignor hereby assigns and transfers to Assignee all right, title, and interest in and to the Marks and all common law rights in the Marks, together with the goodwill of the business symbolized by the Marks and its right to sue for past infringement of the Marks and to recover any and all damages and awards for such infringement, effective *nunc pro tunc* as of December 3, 2019.

Assignor does hereby sell, transfer, and assign to Assignee its entire right, title, and interest in and to the patent application and any and all priority applications together with (i) all claims for damages by reason of infringement; and (ii) the right to sue for, collect the same for its own use and behalf, and for the use and behalf of its legal representatives, successors and assigns, to the full end of the term for which any patents, divisionals, continuations, reissues, reexaminations, renewals, extensions, or similar patent rights are granted, effective *nunc pro tunc* as of December 3, 2019.

Assignee is hereby authorized to make application for and to receive patents for the patent application in any foreign country at its election.

IN WITNESS WHEREOF, the parties hereto have signed this Intellectual Property Assignment as of the date written below.
