(r) Notwithstanding anything in this Section 2.1 to the contrary, nothing herein shall be deemed to sell, transfer, assign or convey the Excluded Assets to Purchaser; the Purchaser shall have no rights with respect to the Excluded Assets; and Sellers shall retain all of their respective rights, title and interests in, to and under the Excluded Assets. At any time not later than one (1) business day prior to the Bid Deadline (as defined in the Bid Procedures), Purchaser, in its sole discretion by written notice to Sellers, may amend Schedule 2.1(k) or Schedule 2.1(l) to exclude from being assigned any contract or lease, respectively, whereupon such contract or lease so excluded shall not constitute an "Assigned Contract" or "Assigned Lease", respectively (and shall therefore constitute an Excluded Asset), and Purchaser shall not acquire any rights, or assume any Liabilities, with respect thereto. Purchaser acknowledges and agrees that there shall be no reduction in the Purchase Price if it elects to exclude from being assigned any contracts or leases pursuant to the preceding sentence.

Section 2.2 Purchase Price. The purchase price for the Purchased Assets (the "**Purchase Price**") is comprised of (i) a cash payment at Closing of \$8,000,000.00 (the "**Closing Cash Purchase Price**"), plus (ii) an amount in cash payable after the Closing of not less than \$10,000,000.00 and not more than \$11,000,000.00 (the "**Receivables Purchase Price**"), payable as set forth below and subject to adjustment pursuant to Sections 2.4 and 2.7 hereof, for a total cash purchase price of up to \$19,000,000.00, plus (iii) the amount of Assumed Liabilities.

(a) The Closing Cash Purchase Price shall be paid to the Sellers, subject to the conditions set forth in this Agreement, at the Closing (i) by wire transfer of immediately available funds to the “Collateral Account” (as defined in the Deposit Account Control Agreement (Access Restricted Immediately), dated March 31, 2017, by and among Sellers, Wells Fargo, as Secured Party, and Wells Fargo Bank, National Association, as depositary bank), in an amount equal to \$7,500,000.00, less any interest earned on the Deposit and (ii) by payment of the Deposit to the “Collateral Account”, together with any interest earned thereon, in immediately available funds

(b) The Receivables Purchase Price shall be paid to the Sellers, on a daily basis out of the first \$11,000,000.00 of Receivables collected by the Purchaser by remitting such collections and proceeds of Receivables to the “Collateral Account”, less any out of pocket costs of collection (including attorneys’ fees and expenses) related to the first \$11,000,000.00 of Receivables, provided that Purchaser obtains the Sellers’ prior written consent before incurring such costs of collection. At the election of the DIP Lenders, in their sole and absolute discretion, on the date that is the six (6) month anniversary of the Closing Date (the “**Make-Whole Date**”), the Purchaser shall pay the Sellers (by remitting such amount to the “Collateral Account”) an amount (the “**Make Whole Amount**”) equal to the difference, if any, between (x) \$10,000,000.00 (the amount guaranteed to the Sellers) and (y) the total amount previously paid to the Sellers after the Closing Date and prior to the Make-Whole Date in respect of the Receivables Purchase Price from the Receivables included in the Purchased Assets. The DIP Lenders shall provide the Purchaser with written notice at least thirty (30) days prior to the Make-Whole Date in the event that they elect that the Purchaser pay the Make-Whole Amount. If the Purchaser pays the Make Whole Amount at the election of the DIP Lenders, any Receivables collected by the Purchaser after the Make-Whole Date shall be the property of the Purchaser. If the DIP Lenders do not elect to receive the Make Whole Amount, the Purchaser shall continue to be obligated to pay the Receivables Purchase Price out of the first \$11,000,000.00 of Receivables collected by the Purchaser. Notwithstanding the foregoing, in the event that the amount of net Receivables included in the Purchased Assets is less than \$11,000,000.00, the amount guaranteed to the Sellers by the Purchaser shall be reduced on a dollar for dollar basis; provided that in no event shall duplicative adjustments be made pursuant to this Agreement.

(c) From the Closing Date through the Make-Whole Date, Purchaser shall (i) maintain in place the existing lockbox between the Sellers and the DIP Lenders and Purchaser until payment in full of the Receivables Purchase Price and (ii) shall not permit any Encumbrance to be placed on the Receivables. Purchaser and Sellers will agree on the content of communications to be sent to customers after the Closing to advise the customers of the correct payment instructions should be made with respect to the Receivables. In addition, the Purchaser and the DIP Lenders shall agree on mutually acceptable documentation, to be delivered at Closing, (A) pursuant to which the Purchaser will grant to Wells Fargo (as agent for the DIP Lenders) a first priority security interest in the Receivables (together with all related assets, including books and records related thereto and any inventory that gave rise to any such Receivables which is returned by the account debtor) included in the Purchased Assets (but on no other assets of the Purchaser) to secure the Receivables Purchase Price and (B) otherwise required for Wells Fargo to perfect such first priority security interest (the items in clauses (A) and (B) above collectively referred to herein as, the “**Purchaser Security Documents**”), and Purchaser agrees to deliver such other documents (including a legal opinion), instruments and

lien searches required by DIP Lenders in connection with the perfection of such security interest. As will be set forth more fully in the Transition Services Agreement, in cases of misdirected and misapplied payments on the Receivables (“**Mistaken Payments**”), Sellers and Purchaser will work together in good faith to ensure that proper credit is given. Payments made to Sellers with respect to Receivables before payment in full of the Receivables Purchase Price may be retained by Sellers and applied to payment of the Receivables Purchase Price. If payments are made to Sellers with respect to Receivables after payment in full of the Receivables Purchase Price, the amount of such Mistaken Payment that is made to Sellers shall not be deemed the property of Sellers, but, rather, shall be deemed property held by Sellers for the benefit of Purchaser (but need not be segregated by Sellers for such purpose). The reconciliation and payment mechanism with respect to Mistaken Payments shall be set forth more fully in the Transition Services Agreement. However, should DIP Lenders receive any payment that is not for and attributable to the Receivables, then the DIP Lenders shall remit such funds to the Purchaser within one (1) Business Day of the receipt of such funds.

Section 2.3 Assumption of Liabilities. On the terms and subject to the conditions set forth in this Agreement, from and after the Closing, Purchaser will assume and pay, perform, discharge and be responsible solely for the following liabilities of the Sellers (the “**Assumed Liabilities**”):

- (f) all Current Customer Credits;
- (g) payroll and payroll related obligations, including any employment-related benefits owed to any of the New Employees, on the day after the Closing;
- (h) in addition to and not in limitation of Section 2.3(b) above, accounts payable obligations incurred for services rendered and goods sold to the Sellers after the Closing Date which are incurred in the ordinary course of the Business;
- (i) Transaction Taxes as provided in Section 10.1;
- (j) Liabilities of Sellers after the, which were incurred in the ordinary course of the Business, under the Sellers’ Rebate Program, Customer Credit Program and Free Shipping Program; and

(k) any Liabilities set forth on Schedule 2.3.

All such Liabilities of the Sellers, of whatever kind or nature, known or unknown, fixed or contingent, accrued or unaccrued, other than the Assumed Liabilities, are hereinafter referred to as the “**Excluded Liabilities**.” Purchaser shall not assume or pay, perform, discharge or be responsible for any of the Excluded Liabilities.

In addition, in the event that a deposit with respect to an Assumed Lease takes the form of a letter of credit under the existing credit facility among the Sellers and the DIP Lenders (referred to herein as, the “**Existing Wells Letters of Credit**”), then within 10 Business Days after Closing the Purchaser shall either (i) replace the letter of credit with an alternative form of deposit; (ii) assume the obligations of the applicable Seller with respect to such letter of credit (which will then become an Assumed Liability) and either (A) provide Wells Fargo with cash collateral in the amount equal to 105% of the face amount of such Existing Wells Letters of Credit on terms acceptable to Wells Fargo or (B) provide Wells Fargo with an original supporting letter of credit in favor of Wells Fargo in the amount of 105% of the face amount of such Existing Wells Letters of Credit, in form and substance satisfactory to Wells Fargo and issued by a bank acceptable to Wells Fargo; or (iii) negotiate an alternative mutually satisfactory arrangement with Wells Fargo.

Section 2.4 Adjustment of Receivables Purchase Price.

The Purchase Price shall be decreased as follows:

(a) Total Working Capital is estimated to be approximately \$48,000,000.00 on May 3, 2019. Subject to the last sentence of Section 2(b), if Total Working Capital of the Sellers is less than \$47.5 million on the Closing Date, then the shortfall will be a dollar for dollar adjustment downwards in the Receivables Purchase Price that shall be netted from the amount paid from the Receivables pursuant to Section 2.2 (b);

(b) Customer deposits for Unfulfilled Customer Orders is estimated to be approximately \$1,900,000.00 on May 3, 2019. If customer deposits for Unfulfilled Customer Orders total above \$2,150,000.00, there will be a dollar for dollar adjustment downwards in the Receivables Purchase Price that shall be netted from the amount paid pursuant to Section 2.2 (b).

(c) Current Customer Credits are estimated to be \$1.1 million on May 3, 2019. If Current Customer Credits of the Sellers total above \$1.4 million, there will be a dollar for dollar adjustment downwards in the Receivables Purchase Price that shall be netted from the amount paid pursuant to Section 2.2 (b). There will be no adjustment pursuant to this Section 2.4 (d) for customer credits and balances owed for returns of purchased merchandise to Sellers and Robert Allen Fabrics (Canada) Ltd. incurred in the ordinary course of the Business and recorded on the Sellers’ books and records on or before July 31, 2018.

(d) All adjustments pursuant to this Section 2.4 shall be calculated by Sellers and delivered to the Purchaser on the Business Day prior to the Closing Date based on the Sellers’ books and records and in a manner consistent with Sellers’ past practices and Schedule 2.4(d). The manner in which the adjustments pursuant to this Section 2.4 shall be determined

(and any disputes resolved) is more fully set forth on Schedule 2.4(d), which includes the calculation of projected Total Working Capital as of May 4, 2019.

Section 2.5 Deposit. The Deposit shall be held pursuant to the terms of the Bid Procedures and this Agreement.

Section 2.6 Allocation of Purchase Price. As soon as practicable after the Closing Date, Purchaser will deliver to Sellers a statement setting forth an allocation of the Purchase Price in accordance with applicable law (the “**Allocation Statement**”). Sellers shall notify Purchaser within thirty (30) days after the receipt of the draft Allocation Statement if Sellers considers the amount allocated to any Purchased Assets to be inconsistent with applicable Tax law (including any determination of fair market value). Sellers and Purchaser shall attempt to resolve any disagreement in good faith. If Sellers and Purchaser fail to reach agreement as to an alternative allocation in the ten (10) days following such notice, the dispute with respect to the Allocation Statement shall promptly be presented to an accounting firm mutually chosen by the Parties (the “**Independent Accounting Firm**”) for a decision that shall be rendered in a timely manner in order to permit the timely filing of all applicable forms with the IRS and other Tax authorities. The Independent Accounting Firm’s review shall be final and binding on all parties. The fees, costs and expenses incurred in connection therewith shall be shared equally by Sellers and Purchaser. The following are to be apportioned as of 12:00 midnight on the day preceding the Closing Date (the “**Apportionment Date**”) to the extent such are valid post-petition claims or are subject to non-avoidable liens: rent (including percentage rent and additional rent) under any of the Assigned Leases, water, sewer and utility charges and real estate taxes, to the extent payable under the Assigned Leases and such other apportionment and adjustments as are customarily apportioned in transactions of this nature, including insurance premiums payable to landlords under any of the Assigned Leases, any merchant association dues and amounts payable under Assigned Leases. To the extent items of apportionment such as percentage rent based on sales are dependent on performance variables subsequent to the Closing Date, then apportionment shall be calculated based upon results in the prior year. The Cash Purchase Price shall be adjusted by the net aggregate amount of such other apportionment, with such net adjustment, if any, being paid in cash to the Party entitled to it. Further, the Cash Purchase Price shall be increased by the amount of any deposits (including security deposits) and

pre-payments by Sellers under any Assigned Contracts or Assigned Leases. Section 12.3 Amendments and Waivers.

(a) The terms, provisions and conditions of this Agreement may not be changed, modified or amended in any manner except by an instrument in writing duly executed by each of the parties hereto; provided however that the Sellers must obtain prior consent of any such change from the DIP Lenders and/or approval of the Bankruptcy Court after notice and hearing.

(b) Neither the failure nor any delay by any Party in exercising any right, power, or privilege under this Agreement or the documents referred to in this Agreement shall operate as a waiver of such right, power or privilege, and no single or partial exercise of any such right, power, or privilege shall preclude any other or further exercise of such right, power, or privilege or the exercise of any other right, power, or privilege. To the maximum extent permitted by applicable law, (i) no waiver that may be given by a Party shall be applicable except in the specific instance for which it is given; and (ii) no notice to or demand on one Party shall be deemed to be a waiver of any right of the Party giving such notice or demand to take further action without notice or demand.

Section 12.4 Assignment. This Agreement is binding upon and inures to the benefit of the successors and assigns of each Party to this Agreement (including any trustee appointed in respect of the Sellers under the Bankruptcy Code), but no rights, obligations or liabilities under this Agreement may be assigned by any Party without the prior written consent of the other parties hereto, provided, however, that, (a) prior to Closing, Purchaser shall be permitted, upon prior notice to Sellers, to assign all or part of its rights or obligations hereunder to an Affiliate, whereupon, references to "Purchaser" herein shall be deemed to refer to such Affiliate; provided that any such assignment shall not relieve Purchaser of any of its financial obligations to Sellers hereunder and (b) the Sellers may assign some or all of their rights or delegate some or all of their obligations hereunder to the DIP Lenders (and, upon the request of the DIP Lenders, the Sellers shall provide any such assignment to the DIP Lenders as requested by the DIP Lenders, in form and substance acceptable to the DIP Lenders) or successor entities (including any liquidating trust) pursuant to a Chapter 11 plan confirmed by the Bankruptcy Court.

Section 12.5 Announcements. Unless ordered by the Bankruptcy Court or otherwise required by applicable law or by obligations of the parties hereto or any of their Affiliates pursuant to any listing agreement with or rules of any securities exchange, the parties hereto shall consult with each other before issuing any other press release or otherwise making any public statement with respect to this Agreement, the transactions contemplated hereby or the activities and operations of the other Party and shall not issue any such release or make any such statement without the prior written consent of the other Party (such consent not to be unreasonably withheld or delayed).

Section 12.6 Expenses. Except as otherwise set forth in this Agreement, each Party to this Agreement shall bear all of its legal, accounting, investment banking and other expenses incurred by it or on its behalf in connection with the transactions contemplated by this Agreement, whether or not such transactions are consummated.

Section 12.7 Entire Agreement. This Agreement and the Ancillary Documents constitute the entire agreement between the parties hereto with respect to the subject matter hereof and supersede and are in full substitution for any and all prior agreements and understandings between them relating to such subject matter (other than the Confidentiality Agreement, which shall remain in full force and effect). The Exhibits and Schedules to this Agreement are hereby incorporated and made a part hereof and are an integral part of this Agreement.

Section 12.8 Descriptive Headings. The descriptive headings of the several sections of this Agreement are inserted for convenience only and shall not control or affect the meaning or construction of any of the provisions hereof.

Section 12.9 Counterparts. This Agreement may be executed in two or more counterparts (delivery of which may occur via facsimile or as an attachment to an electronic mail message in “pdf” or similar format), each of which shall be binding as of the date first written above, and, when delivered, all of which shall constitute one and the same instrument. This Agreement and any documents delivered pursuant hereto, and any amendments hereto or thereto, to the extent signed and delivered by means of a facsimile machine or as an attachment to an electronic mail message in “pdf” or similar format, shall be treated in all manner and respects as an original agreement or instrument and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. Each such copy shall be deemed an original, and it shall not be necessary in making proof of this Agreement to produce or account for more than one such counterpart.

Section 12.10 Governing Law; Jurisdiction. This Agreement shall be construed, performed and enforced in accordance with, and governed by, the laws of the State of New York, without giving effect to the principles of conflicts of laws thereof. For so long as the Sellers are subject to the jurisdiction of the Bankruptcy Court, the parties hereto irrevocably elect as the sole judicial forum for the adjudication of any matters arising under or in connection with this Agreement, and consent to the jurisdiction of, the Bankruptcy Court. After the Sellers are no longer subject to the jurisdiction of the Bankruptcy Court, the parties hereto irrevocably elect as the sole judicial forum for the adjudication of any matters arising under or in connection with

this Agreement, and consent to the jurisdiction of, the courts of the County of New York, State of New York or of the United States of America for the Eastern District of New York.

Section 12.11 Other Definitions and Interpretive Matters.

(a) Unless otherwise indicated to the contrary in this Agreement by the context or use thereof:

(i) When calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is the reference date in calculating such period shall be excluded. If the last day of such period is a day other than a Business Day, the period in question shall end on the next succeeding Business Day.

(ii) Any reference in this Agreement to \$ means U.S. dollars.

(iii) Unless the context otherwise requires, all capitalized terms used in the Exhibits and Schedules shall have the respective meanings assigned in this Agreement. No reference to or disclosure of any item or other matter in the Exhibits and Schedules shall be construed as an admission or indication that such item or other matter is material or that such item or other matter is required to be referred to or disclosed in the Exhibits and Schedules. No disclosure in the Exhibits and Schedules relating to any possible breach or violation of any contract or law shall be construed as an admission or indication that any such breach or violation exists or has actually occurred. Any information, item, or other disclosures set forth in any Schedule shall be deemed to have been set forth in all other applicable Schedules if the relevance of such disclosure to such other Schedule is reasonably apparent from the facts specified in such disclosure. All Exhibits and Schedules attached or annexed hereto or referred to herein are hereby incorporated in and made a part of this Agreement as if set forth in full herein.

(iv) Any reference in this Agreement to gender includes all genders, and words importing the singular number also include the plural and vice versa.

(v) The division of this Agreement into Articles, Sections and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect or be utilized in the construction or interpretation of this Agreement. All references in this Agreement to any "Section," "Article," "Schedule," or "Exhibit" are to the corresponding Section, Article, Schedule, or Exhibit of or to this Agreement unless otherwise specified.

(vi) Words such as "herein," "hereof" and "hereunder" refer to this Agreement as whole and not merely to a subdivision in which such words appear, unless the context otherwise requires.

(vii) The word "including" or any variation thereof means "including, without limitation," and shall not be construed to limit any general statement that it follows to the specific or similar items or matters immediately following it.

(b) Purchaser, on the one hand, and Sellers, on the other hand, participated jointly in the negotiation and drafting of this Agreement, and, in the event an ambiguity or

question of intent or interpretation arises, this Agreement shall be construed as jointly drafted by Purchaser, on the one hand, and Sellers, on the other hand, and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any provision of this Agreement. Without limitation as to the foregoing, no rule of strict construction construing ambiguities against the draftsman shall be applied against any Person with respect to this Agreement.

Section 12.12 Sellers' Schedules. The Sellers' Schedules are qualified in their entirety by reference to the specific provisions of this Agreement and are not intended to constitute, and shall not be construed as constituting, representations or warranties of Sellers, except as and to the extent provided in this Agreement. The specification of any dollar amount in the representations and warranties contained in this Agreement or the inclusion of any specific item in the Sellers' Schedules is not intended to imply that such amounts, or higher or lower amounts, or the items so included, or other items, are or are not required to be disclosed or are within or outside of the ordinary course of business, and none of the Parties shall use the fact of the setting forth of such amounts or the fact of the inclusion of any such item in the Sellers' Schedules in any dispute or controversy with any Party as to whether any obligation, item or matter not included in a section of the Sellers' Schedules is or is not required to be disclosed (including whether such amounts or items are required to be disclosed as material) or in the ordinary course of business for the purposes of this Agreement. If and to the extent any information required to be furnished in any Schedule is contained in this Agreement or in any other Schedule, such information shall be deemed to be included in all of the Sellers' Schedules to the extent the relevance of such disclosure to such other Schedule or Schedules is reasonably apparent on its face. Such additional matters are set forth for informational purposes only and do not necessarily include other matters of a similar nature. In no event shall any disclosure of such additional matters be deemed or interpreted to broaden or otherwise amend any of the covenants or representations or warranties in this Agreement. The information contained in the Sellers' Schedules is disclosed solely for purposes of this Agreement, and no information contained therein shall be deemed to be an admission by Sellers to any third party of any matter whatsoever, including of any violation of law or breach of any contract.

Section 12.13 Third Party Beneficiaries. Except for the DIP Lenders, who are third party beneficiaries of this Agreement, this Agreement is for the sole benefit of the Parties hereto and their permitted assigns and nothing herein, express or implied, is intended to or shall confer upon any Person (other than the DIP Lenders) any legal or equitable benefit, claim, cause of action, remedy or right of any kind.

Section 12.14 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner adverse to any Party in any material respect. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible. In the event that any one or more of the provisions contained in this Agreement or in any other instrument referred to

herein shall, for any reason, be held to be invalid, illegal or unenforceable in any respect, then to the maximum extent permitted by law, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement or any other such instrument. Furthermore, in lieu of any such invalid or unenforceable term or provision, the parties hereto intend that there shall be added as a part of this Agreement a provision as similar in terms to such invalid or unenforceable provision as may be possible and be valid and enforceable.

Section 12.15 Non-Recourse. No past, present or future director, officer, manager, employee, incorporator, member, partner, stockholder, agent, attorney or representative of the respective Parties to this Agreement, in such capacity (any such Person in such capacity, a “**No Recourse Party**”), shall have any Liability with respect to this Agreement or the transactions contemplated hereby, or with respect to any claim or cause of action that may arise based on, in respect of or by reason of this Agreement or the transactions contemplated hereby, or the negotiation, execution or performance of this Agreement or the transactions contemplated hereby.
