TRADEMARK SECURITY AGREEMENT dated as of May 13, 2020 (this “Agreement”), between Arconic Technologies LLC, a Delaware LLC (the “Grantor”) and U.S. Bank National Association, as Notes Collateral Agent (in such capacity, the “Notes Collateral Agent”).

Reference is made to (a) the Indenture dated as of May 13, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Indenture”), among Arconic Corporation (the “Issuer”), the Guarantors party thereto and U.S. Bank National Association, as Trustee and Notes Collateral Agent, and (b) the Collateral Agreement dated as of May 13, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among the Issuer, the Guarantors from time to time party thereto and U.S. Bank National Association, as Notes Collateral Agent. The parties hereto agree as follows:

SECTION 1. Terms. Each capitalized term used but not otherwise defined herein shall have the meaning specified in the Indenture or the Collateral Agreement, as applicable. The rules of construction specified in Section 1.04 of the Indenture also apply to this Agreement, mutatis mutandis.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, the Grantor, pursuant to the Collateral Agreement, did and hereby does grant to the Notes Collateral Agent and its permitted successors and assigns, for the benefit of the Secured Parties, a security interest in all of the Grantor’s right, title and interest in, to and under the portion of the Article 9 Collateral constituting the Trademarks listed on Schedule I hereto but excluding any Trademarks that are Excluded Personal Property (including, for the avoidance of doubt, any intent-to-use trademark application filed in the United States Patent and Trademark Office pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, solely during the period prior to the accepted filing of a “Statement of Use” and issuance of a “Certificate of Registration” pursuant to Section 1(d) of the Lanham Act or an accepted filing of an “Amendment to Allege Use” whereby such intent-to-use trademark application is converted to a “use in commerce” application pursuant to Section 1(c) of the Lanham Act; it being understood that, following such period, such trademark registration or application, as applicable, shall be deemed automatically subject to the security interest granted in the Notes Collateral Agreement and included in the Article 9 Collateral) and subject to the exclusions set forth in Section 4.01(d) of the Collateral Agreement (collectively, the “Trademark Collateral”).

SECTION 3. Collateral Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Notes Collateral Agent for the benefit of the Secured Parties in connection with the Collateral Agreement and is expressly subject to the terms and conditions thereof. The Grantor hereby acknowledges and affirms that the rights and remedies of the Notes Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

SECTION 4. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed

counterpart of a signature page of this Agreement by facsimile or other electronic imaging shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 5. CHOICE OF LAW. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

[SIGNATURE PAGES FOLLOW]

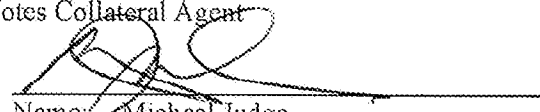

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement as of the day and year first above written.

ARCONIC TECHNOLOGIES LLC,
as Grantor
