## TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT dated as of May 15, 2020 (this "Agreement"), between **BIOWISH TECHNOLOGIES INTERNATIONAL INC.**, a Delaware corporation (together with its successors and assigns, the "Assignor"), and **BARGA, LLC**, a Texas limited liability company, as Collateral Agent (together with its successors and assigns in such capacity, the "Collateral Agent"), for the benefit of the Secured Creditors (as defined in the Security Agreement referred to below):

### RECITALS:

The Assignor is a party to the Guarantee and Security Agreement dated as of May 15, 2020 (as amended, restated or otherwise modified from time to time, the "Security Agreement"), among the Assignor, certain other grantors, and the Collateral Agent, pursuant to which the Assignor has granted to the Collateral Agent, for the benefit of the Secured Creditors, a continuing security interest in, assignment of and lien on the Collateral described therein.

NOW, THEREFORE, in consideration of the foregoing, the mutual covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby covenants and agrees with the Collateral Agent and the other Secured Creditors as follows:

Section 1. Defined Terms. Terms used herein without definition shall have the respective meanings ascribed thereto in the Security Agreement.

Section 2. Assignment and Grant of Security Interest. As security for the prompt payment and performance of the Secured Obligations, the Assignor hereby assigns, transfers, conveys and grants to the Collateral Agent, for the benefit of the Secured Creditors, a security interest in, a general lien upon and/or a right of set-off against (whether now owned or hereafter acquired by the Assignor and whether acquired in the United States or elsewhere in the world) all right, title and interest of the Assignor in and to the following, whether now existing or hereafter acquired:

- (i) all Trademarks, trade names and service marks registered with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);
- (ii) all applications for the registration of Trademarks, trade names and service marks filed with the United States Patent and Trademark Office (including, without limitation, those listed on Schedule A to this Agreement);
- (iii) all Trademarks, trade names and service marks registered with any office, agency or other governmental authority of any State, the District of Columbia or any possession or territory of the United States;
- (iv) all Trademarks, trade names and service marks registered with any office, agency or other governmental authority of any other country or any province, department or other governmental subdivision thereof;

(v) all trade names, corporate names, trade dress, company names, business names, fictitious business names, domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature;

(vi) all registrations and recordings with respect to any of the foregoing;

(vii) all reissues, extensions and renewals of any of the foregoing;

(viii) all licenses and other agreements relating in whole or in part to any of the foregoing, including all rights to payments in respect thereof;

(ix) all rights to sue for past, present or future infringements or dilution of any of the foregoing;

(x) all goodwill related to any of the foregoing;

(xi) to the extent not included above, all general intangibles (as such term is defined in the UCC) of the Assignor related to the foregoing; and

(xii) all products and Proceeds of the foregoing, including any income, royalties, and awards and any claim by Assignor against third parties for past, present, or future infringement of any Trademarks or any Trademarks licensed under any Trademark License; provided that the foregoing does not include any intent-to-use trademark application filed in the United States to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity and enforceability of such intent-to-use trademark application or the trademark that is the subject thereof under applicable law.

Section 3. Reference to Separate Security Agreement. This Agreement has been entered into by the Assignor and the Collateral Agent primarily for recording purposes as contemplated by the Security Agreement. In the event of any inconsistency between any of the terms or provisions hereof and the terms and provisions of such Security Agreement, the terms and provisions of such Security Agreement shall govern.

Section 4. GOVERNING LAW, Etc. THIS AGREEMENT SHALL BE GOVERNED, CONSTRUED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO PRINCIPLES OF CONFLICTS OF LAW OR CHOICE OF LAW THAT WOULD CAUSE THE SUBSTANTIVE LAWS OF ANY OTHER JURISDICTION TO APPLY; *PROVIDED THAT* COLLATERAL AGENT SHALL RETAIN ALL RIGHTS UNDER FEDERAL LAW. The other provisions of Section 7.09 (Governing Law) and Section 7.10 (Waiver of Jury Trial) of the Security Agreement are incorporated herein, mutatis mutandis, as if a part hereof.

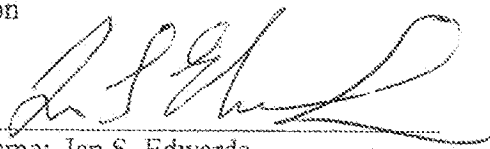

Section 5. Counterparts. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic transmission shall be effective as a manually executed counterpart of this Agreement.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed and delivered by their duly authorized officers as of the date first set forth above.
