GRANT OF  
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this “Agreement”), dated as of May 7, 2020, is made by the undersigned (the “Grantor”), in favor of Credit Suisse AG, Cayman Islands Branch, as collateral agent (in such capacity, the “Agent”) in connection with that certain First Lien Credit Agreement, dated as of July 8, 2014 (as supplemented by that certain Joinder Agreement dated as of June 5, 2015, as amended by Amendment No. 1 to Credit Agreement, dated as of March 8, 2017, Amendment No. 2 to Credit Agreement, dated as of September 15, 2017, as supplemented by that certain Joinder Agreement dated March 20, 2018, and as may be further amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among IB Aggregator I L.P., a Delaware limited partnership (“Parent I”), IB Aggregator II L.P., a Delaware limited partnership (“Parent II”), Indigo Intermediate Co I, LLC, a Delaware limited liability company (“IntermediateCo I”), Indigo Intermediate Co II, LLC, a Delaware limited liability company (“IntermediateCo II” and, together with Parent I, Parent II and IntermediateCo I, each a “Parent” and collectively, the “Parents”), MH Sub I, LLC, a Delaware limited liability company (“LLC Borrower”), and WebMD Health Corp., a Delaware corporation (the “Wave Borrower” and, together with the LLC Borrower, the “Borrowers”), the Lenders from time to time party thereto, Credit Suisse AG, Cayman Islands Branch, as the Administrative Agent and the Collateral Agent, and Credit Suisse AG, Cayman Islands Branch and Royal Bank of Canada as Letter of Credit Issuers.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make loans to the Borrowers and the Letter of Credit Issuers have agreed to issue Letters of Credit for the account of the Parents, the Borrowers and the Restricted Subsidiaries upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, each Grantor and any Subsidiaries that become a party thereto, have executed and delivered a First Lien Security Agreement, dated as of July 8, 2014 in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Security Agreement”);

WHEREAS, pursuant to the Security Agreement, Grantor has granted to the Agent, for the benefit of the Secured Parties, a lien on and security interest in, all of its right, title and interest in, to and under certain Intellectual Property, including the Trademarks, that is not Excluded Property; and

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the Lenders to make loans and the Letter of Credit Issuers to issue Letters of Credit for the account of the Parents, the Borrowers and the Restricted Subsidiaries, and to induce one or more Lenders or Affiliates of Lenders to enter into Secured Cash Management Agreements or Secured Hedge Agreements with a Parent and/or its Restricted Subsidiaries (other than the Borrowers), Grantor agrees, for the benefit of the Agent and the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

2. Grant of Security Interest. Grantor hereby grants a lien on and security interest in all of Grantor’s right, title and interest in, to and under the Trademarks- that are not Excluded Property (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated

with such Trademarks and the right to receive all Proceeds therefrom (collectively, the “Collateral”), to the Agent for the benefit of the Secured Parties as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations; provided that, applications in the United States Patent and Trademark Office to register trademarks or service marks on the basis of Grantor’s “intent to use” such trademarks or service marks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original. Any signature to this agreement may be delivered by facsimile, electronic mail (including pdf) or any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this agreement. Each party represents and warrants to the other party that it has the corporate capacity and authority to execute this Agreement through electronic means and there are no restrictions for doing so in that party’s constitutive documents.

6. Governing Law: This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
