(ii) trademarks, trademark registrations, trademark applications, trade names and tradestyles, brand names, service marks, service mark registrations and service mark applications, including, without limitation, the trademarks, trade names, brand names, service marks and applications and registrations thereof listed on Exhibit B attached hereto and hereby made a part hereof, and (a) all renewals or extensions thereof, (b) the goodwill of the Borrowers’ business connected with and symbolized thereby, (c) all income, royalties, proceeds, damages and payments now and hereafter due or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (d) the right to sue for past, present and future infringements thereof, and (e) all rights corresponding thereto throughout the world, if any, excluding any “intent to use” trademark applications for which a statement of use has not been filed (but only until such statement is filed and has been accepted) (collectively, the “**Trademarks**”); and

(iii) copyrights, copyright registrations and copyright applications, used in the United States, including, without limitation, namely the copyright registrations and copyright applications listed on Exhibit C attached hereto and made a part hereof, and (a) renewals or extensions thereof, (b) all income, royalties, proceeds, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof, (c) the right to sue for past, present and future infringements thereof, and (d) all rights corresponding thereto throughout the world (collectively, the “**Copyrights**”).

3. Effect on Credit Agreement. Each Borrower acknowledges and agrees that this Confirmatory Grant is not intended to limit or restrict in any way the rights and remedies of Agent or any Lender under the Credit Agreement but rather is intended to be filed by Agent with the United States Patent and Trademark Office and, if applicable, the United States Copyright Office or Library of Congress in order to provide notice of Agent’s security interest. Agent shall have, in addition to all other rights and remedies given it by the terms of this Confirmatory Grant and the Credit Agreement, all rights and remedies allowed by law, in equity, and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Illinois. In the event of a conflict between the Credit Agreement and this Confirmatory Grant, the terms of the Credit Agreement shall control.

4. Release of Security Agreement. Upon the Payment In Full of the Obligations and the termination of the Credit Agreement in accordance with its terms, this Confirmatory Grant shall terminate, and Agent shall execute, deliver and file any document reasonably requested by Borrowers, at Borrowers’ joint and several cost and expense, as shall be necessary to evidence termination of the security interest granted by Borrowers to Agent hereunder.

6. Modification. This Confirmatory Grant cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by Borrowers and Agent; provided, however, Agent is permitted to amend the Schedules attached hereto in order to include new or additional Intellectual Property of Borrowers after the date hereof (and make any subsequent filing or recordation to reflect such Intellectual Property as identified in Section 9 hereof).

7. Borrowers Responsibilities.

(a) Borrowers will furnish to Agent upon Agent’s reasonable request a current list of all of the items of the Intellectual Property for the purpose of identifying the Intellectual Property, including any and all reports in connection with the Intellectual Property as Agent may reasonably request, all in reasonable detail, and further execute and deliver such supplemental instruments, in the form of assignments or otherwise, as Agent shall require for the purpose of confirming and perfecting Agent’s security interest in any or all of the Intellectual Property;

(b) Should Borrowers obtain an ownership interest in any Intellectual Property, which is not now identified in Exhibit A, Exhibit B or Exhibit C, (i) Borrowers will give prompt written notice to Agent, (ii) the provisions of Section 2 shall automatically apply to the Intellectual Property acquired or obtained, and (iii) such Intellectual Property shall automatically become part of the Collateral under this Section; Borrowers authorize Agent to modify this Confirmatory Grant by amending Exhibit A, Exhibit B or Exhibit C to include any Intellectual Property which become part of the Collateral under this Section;

(d) Borrowers will promptly notify Agent should Borrowers become aware that any material item of the Intellectual Property is infringed or misappropriated by any Person, and will, to the extent that Borrowers determines in their discretion, exercised in a commercially reasonable manner, that it is in Borrowers' best interests to do so, promptly sue for infringement or misappropriation and for recovery of all damages caused by the infringement or misappropriation, and will take such other actions as Borrowers deem appropriate under the circumstances to protect such Intellectual Property. Any expense incurred in connection with the foregoing activities will be borne by Borrowers;

(e) Borrowers will not (i) sell, assign (by operation of law or otherwise), license or otherwise dispose of any of the Intellectual Property, except (A) as expressly permitted by the Credit Agreement or (B) as expressly permitted by this Confirmatory Grant; or (ii) create or suffer to exist any Liens on, or with respect to, any of the Intellectual Property except Permitted Liens, as may otherwise be disclosed in the Exhibits attached hereto or as otherwise expressly permitted by the Credit Agreement; or (iii) take any other action in connection with any of the items of Intellectual Property that could materially impair the value of the interests or rights of Borrowers or Agent in, to or under such Intellectual Property; and

(f) Borrowers will pay all expenses and reasonable attorneys' fees and expenses of Agent incurred by Agent in the exercise (including enforcement) of any of Agent's rights or remedies under this Confirmatory Grant or applicable law; and Borrowers agree that said expenses and fees shall constitute part of the Obligations and be secured by the Intellectual Property and the other Collateral.

8. Binding Effect; Benefits. This Confirmatory Grant shall be binding upon Borrowers and their successors and permitted assigns, and shall inure to the benefit of Agent, its successors, nominees and assigns; provided, however, Borrowers shall not assign this Confirmatory Grant or any of Borrowers' obligations hereunder without the prior written consent of Agent.
