**SECOND LIEN TERMINATION OF INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This Second Lien Termination of Intellectual Property Security Agreement (this “Termination”), dated as of June 8, 2020, is executed by Morgan Stanley Senior Funding, Inc. (the “Collateral Agent”) in favor ZoomInfo LLC (f/k/a DiscoverOrg, LLC), DiscoverOrg Acquisition Company LLC, DiscoverOrg Data, LLC, Neverbounce, LLC, Zoom Information, LLC and Datanyze, LLC (collectively, “Grantors”) under the Security Agreements (defined below).

RECITALS

WHEREAS, the Grantors, other parties thereto and the Collateral Agent, as collateral agent for the benefit of the Secured Parties, entered into (i) a certain Second Lien Security Agreement, dated as of February 1, 2019 in favor of Collateral Agent (as supplemented by that certain Second Lien Security Agreement Supplement dated as of January 21, 2020 and as may be further amended, restated, and/or otherwise modified from time to time, the “Security Agreement”), and (ii) a certain Second Lien Intellectual Property Security Agreement dated as of February 1, 2019 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “IP Security Agreement,” collectively, the “Security Agreements”);

WHEREAS, pursuant to the Security Agreements, each Grantor granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in the Collateral, including Patents, Trademarks and Copyrights;

WHEREAS, the IP Security Agreement was recorded in the Trademark Division of the United States Patent and Trademark Office on February 11, 2019 at reel 6557 and frame 0712; and

WHEREAS, Collateral Agent desires to release any security interest and any other lien it or the Secured Parties may have in the Collateral, and assign all right, title and interest it or the Secured Parties may have in and to the Intellectual Property Collateral back to Grantors.

WHEREAS, the IP Security Agreement has been terminated.

NOW, THEREFORE, for good and valuable consideration, including the satisfaction of all obligations, indebtedness and liabilities secured by the Intellectual Property Collateral pursuant to the Security Agreements, the receipt and sufficiency of which are hereby acknowledged, the Collateral Agent on behalf of itself and the Secured Parties agrees as follows:

1. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the IP Security Agreement or Security Agreement, as applicable.

2. The Collateral Agent is executing and delivering this Termination as further evidence of the termination of the Security Agreements and the release of any security interests created thereunder.

3. The Collateral Agent, on behalf of itself and the other Secured Parties, hereby claims no further right, title, or interest whatsoever in or to any and all of the Collateral, and accordingly, the Collateral Agent hereby expressly on behalf of itself and the other Secured Parties, hereby absolutely, unconditionally fully and irrevocably releases, terminates and discharges any security interests, pledges or liens that Collateral Agent or any other Secured Party may have in and to any and all of the Collateral (including but not limited to the Trademarks listed on Exhibit A hereto).

4. The Collateral Agent agrees that, at the Grantors' sole expense, it shall execute all other documents and do all other acts as reasonably requested by Grantors to relinquish and effect the release of its security interest in the Collateral and authorizes and requests that the United States Patent and Trademark Office (or any equivalent or successor office) note and record the release hereby given and any other filings necessary to evidence the release and termination of the Collateral Agent's and each Secured Party's rights and interests under the Security Agreements.

5. This Termination and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

[Signature page follows]

IN WITNESS WHEREOF, this Termination is executed as of the first date written above.
