**AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT**

THIS AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of June 11, 2020 (this "Trademark Security Agreement"), is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of Cortland Capital Market Services LLC, as collateral agent (in such capacity, together with its successors and permitted assigns, "Collateral Agent") for the Holders and the other Secured Parties (as defined in the Guaranty and Security Agreement referred to below).

**WITNESSETH:**

WHEREAS, pursuant to the Securities Purchase Agreement dated as of the date hereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "2020 Securities Purchase Agreement"), among International Automotive Components Group, S.A., a public limited liability company (*société anonyme*) incorporated under the laws of the Grand Duchy of Luxembourg, having its registered office at 2, avenue Charles de Gaulle 1653 Luxembourg, Grand Duchy of Luxembourg, and registered with the Luxembourg Register of Commerce and Companies Register (*R.C.S. Luxembourg*) under number B 113.661 (the "Issuer"), IAC Holdco, LLC ("IAC Holdco"), the Holders party thereto and the Collateral Agent, the Holders of the 2020 Notes have severally agreed to purchase the 2020 Notes upon the terms and subject to the conditions set forth therein;

WHEREAS, pursuant to the Securities Purchase Agreement dated as of April 6, 2018 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Existing Securities Purchase Agreement"; and together with the 2020 Securities Purchase Agreement, the "Securities Purchase Agreements"), among the Issuer, IAC Holdco, the Holders party thereto and the Collateral Agent, the Holders of the Existing Notes severally agreed to purchase the Existing Notes upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has agreed, pursuant to the Amended and Restated U.S. Guaranty and Security Agreement dated as of the date hereof in favor of the Collateral Agent (the "Guaranty and Security Agreement"), to guarantee the Obligations under the Note Documents and to secure such guaranteed Obligations; and

WHEREAS, each Grantor has previously entered into that certain Trademark Security Agreement (U.S.), dated as of April 23, 2018 (as the same has been amended, restated, supplemented or otherwise modified prior to the date hereof, the "Previous Trademark Security Agreement"), and the parties hereto have agreed to amend and restate the Previous Trademark Security Agreement in its entirety as set forth in this Trademark Security Agreement;

WHEREAS, all of the Grantors are party to the Guaranty and Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce (a) the Collateral Agent to enter into the 2020 Securities Purchase Agreement and to induce the 2020 Holders of the 2020 Notes to purchase the 2020 Notes; (b) the Collateral Agent to have entered into the Existing Securities Purchase Agreement and to have induced the Existing Holders of the Existing Notes to have purchased the Existing Notes, each Grantor hereby agrees with Collateral Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Guaranty and Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to Collateral Agent for the benefit of the Secured Parties, and grants to Collateral Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

- (a) all of its Trademarks including, without limitation, those referred to on Schedule 1 hereto; provided, however, that the grant of security interest shall not include any "intent to use" Trademark applications for which a statement of us has not been filed (but only until such statement is filed);
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Guaranty and Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Collateral Agent pursuant to the Guaranty and Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Guaranty and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. THE LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS TRADEMARK SECURITY AGREEMENT WITHOUT GIVING REGARD TO CONFLICTS OF LAW PRINCIPLES THAT WOULD REQUIRE THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

[SIGNATURE PAGES FOLLOW]

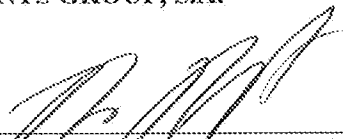

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

**INTERNATIONAL AUTOMOTIVE  
COMPONENTS GROUP, S.A.**
