Trademark Security Agreement

Trademark Security Agreement, dated as of May 7, 2020 (this “Trademark Security Agreement”), by the entities listed on the signature pages hereof (each individually, a “Pledgor” and, collectively, the “Pledgors”), in favor of U.S. BANK NATIONAL ASSOCIATION, in its capacity as collateral agent (in such capacity and together with any successors and assigns in such capacity, the “Notes Collateral Agent”) for the benefit of the Notes Secured Parties pursuant to the Indenture (as defined below), as pledgee, assignee and secured party.

WITNESSETH:

WHEREAS, the Pledgors are party to a Notes Security Agreement, dated as of May 7, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Notes Security Agreement”), in favor of the Notes Collateral Agent pursuant to which the Pledgors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Notes Collateral Agent, for the benefit of the Notes Secured Parties, to enter into that certain Indenture, dated as of May 7, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Indenture”), by and among The Gap, Inc., a Delaware corporation (the “Company”), the Guarantors from time to time party thereto (collectively, referred to therein as the “Guarantors” and each, individually, as a “Guarantor”), and the Notes Collateral Agent, pursuant to which the Company issued (i) \$500,000,000 aggregate principal amount of 8.375% Senior Secured Notes due 2023, (ii) \$750,000,000 aggregate principal amount of 8.625% Senior Secured Notes due 2025 and (iii) \$1,000,000,000 aggregate principal amount of 8.875% Senior Secured Notes due 2027, the Pledgors hereby agree with the Notes Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Notes Security Agreement and used herein have the meaning given to them in the Notes Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. As collateral security for the payment and performance in full of all the Secured Obligations, each Pledgor hereby pledges and grants to the Notes Collateral Agent for the benefit of the Notes Secured Parties a Lien on all of the right, title and interest of such Pledgor in, to and under the following Collateral, wherever located, whether now existing or hereafter arising or acquired from time to time (collectively, and, in each case, excluding any Excluded Assets, the “Trademark Collateral”):

- (a) all Trademarks, including those Registrations and applications of Trademarks set forth on Schedule I to this Trademark Security Agreement;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing.

SECTION 3. Notes Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Notes Collateral Agent pursuant to the Notes Security Agreement and Pledgors hereby acknowledge and affirm that the rights and remedies of the Notes Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Notes Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to be inconsistent with or in conflict with the Notes Security Agreement, the provisions of the Notes Security Agreement shall control.

SECTION 4. Counterparts. This Trademark Security Agreement and any amendments, waivers, consents or supplements hereto may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all such counterparts together shall constitute one and the same agreement. Delivery of any executed counterpart of a signature page of this Trademark Security Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.

SECTION 5. Governing Law. THIS TRADEMARK SECURITY AGREEMENT AND THE OTHER CASH FLOW DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN ANY SUCH OTHER CASH FLOW DOCUMENTS) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

SECTION 6. Intercreditor Agreement. Each Person to whom or for whose benefit a Lien is granted hereunder, by accepting the benefits of the security provided hereby, (i) consents (or is deemed to consent), to the subordination of Liens provided for in the ABL/Cash Flow Intercreditor Agreement or any applicable intercreditor agreement, (ii) agrees (or is deemed to agree) that it will be bound by, and will take no actions contrary to, the provisions of the ABL/Cash Flow Intercreditor Agreement or any applicable intercreditor agreement, (iii) authorizes (or is deemed to authorize) the Notes Collateral Agent on behalf of such Person to enter into, and perform under, the ABL/Cash Flow Intercreditor Agreement or any applicable intercreditor agreement and (iv) acknowledges (or is deemed to acknowledge) that a copy of the ABL/Cash Flow Intercreditor Agreement or any applicable intercreditor agreement was delivered, or made available, to such Person. Notwithstanding any other provision contained herein, this Agreement, the Liens created hereby and the rights, remedies, duties and obligations provided for herein are subject in all respects to the provisions of the ABL/Cash Flow Intercreditor Agreement or any applicable intercreditor agreement. In the event of any conflict or inconsistency between the provisions of this Trademark Security Agreement and the ABL/Cash Flow Intercreditor Agreement or any applicable intercreditor agreement, the provisions of the ABL/Cash Flow Intercreditor Agreement or such applicable intercreditor agreement shall control.

SECTION 7. Concerning the Notes Collateral Agent. U.S. Bank National Association is entering into this Trademark Security Agreement solely in its capacity as Notes Collateral Agent under the Indenture and not in its individual or corporate capacity. In acting hereunder, the Notes Collateral Agent shall be entitled to all of the rights, privileges, immunities and indemnities granted to it under the Indenture and any corresponding provisions of any Cash Flow Document, as if such rights, privileges, immunities and indemnities were set forth herein.
