**DEBTOR-IN-POSSESSION GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS**

This DEBTOR-IN-POSSESSION GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (this "Agreement"), dated as of June 17, 2020, is made by the undersigned parties (the "Grantors"), in favor of WILMINGTON SAVINGS FUND SOCIETY, FSB, as collateral agent (in such capacity, together with its successors and permitted assigns, the "Agent") for the several banks and other financial institutions (the "Lenders") from time to time parties to that certain Senior Secured Super-Priority Debtor-in-Possession Credit Agreement, dated as of June 17, 2020 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "DIP Credit Agreement"), among POINTWELL LIMITED, a company organized under the laws of Ireland, SKILLSOFT CORPORATION, a Delaware corporation, as borrower (the "Borrower"), the Lenders from time to time party thereto, and the Agent, as the Administrative Agent and the Collateral Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the DIP Credit Agreement, the Lenders have severally agreed to make loans to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the DIP Credit Agreement, each Grantor and any Subsidiaries that become a party thereto, have executed and delivered a Debtor-in-Possession Security Agreement, dated as of June 17, 2020 in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "DIP Security Agreement");

WHEREAS, pursuant to the DIP Security Agreement, each Grantor has pledged and granted to the Agent for the benefit of the Agent and the Secured Parties a security interest in all Trademarks included in the Intellectual Property Collateral; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make loans, each Grantor agrees, for the benefit of the Agent and the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the DIP Credit Agreement and the DIP Security Agreement, as applicable.

2. Grant of Security Interest. Subject to the entry of the DIP Order, Grantor hereby grants a security interest in all of Grantor's right, title and interest in, to and under the Trademarks included in the Intellectual Property Collateral (including, without limitation, those items listed on Schedule A hereto), including the goodwill associated with such Trademarks and the right to receive any Proceeds therefrom (collectively, the "Collateral"), to the Agent for the benefit of the Secured Parties as collateral security for payment and performance when due of the Obligations; provided that, applications in the United States Patent and Trademark Office to register Trademarks on the basis of Grantor's "intent to use" such Trademarks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

3. Purpose. This Agreement has been executed and delivered by Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the DIP Security Agreement and the DIP Credit Agreement and is expressly subject to the terms and conditions thereof. The DIP Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the DIP Credit Agreement and the DIP Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the DIP Security Agreement, the terms of the DIP Security Agreement shall govern. In addition to its rights, protections, immunities, indemnities and reliances set forth herein, the Collateral Agent shall be afforded the same rights, protections, immunities, indemnities and reliances afforded to it under the DIP Credit Agreement as if set forth herein *mutatis mutandis*.

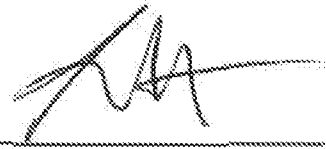

5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

6. Governing Law: This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, except to the extent the law of the State of New York is superseded by the Bankruptcy Code.

IN WITNESS WHEREOF, each of the undersigned has caused this Agreement to be duly executed and delivered as of the date first above written.
