THIS TRADEMARK SECURITY AGREEMENT ("Agreement") dated as of July 1, 2019, is made by Pacific Shoe Corporation, a California corporation (the "Grantor"), in favor of Citibank, N.A. ("Grantee")

RECITALS:

A. Grantor is obligated to Grantee pursuant to certain loan documents, as amended from time to time (collectively, "Loan Documents") executed by Borrowers in favor of Grantee, as more particularly described in that certain Modification/Forbearance Agreement dated as of even date herewith ("Forbearance"), executed by and among Grantor and Grantee, and others, pursuant to which this Agreement is being executed by Grantor. All capitalized terms used but not defined herein shall have the meanings ascribed to them in the Forbearance.

Grantor agrees, promptly following the written request by the Grantee, to amend this Agreement by amending Schedule A, as applicable, to include any such future trademarks, trademark registrations, trademark applications, trade names, domain names, service marks, trade secrets, patents, syndication rights, franchises and licenses which would be Intellectual Property Collateral.

4. Rights and Remedies: Application of Monies.

(a) Upon the occurrence and during the continuation of an Event of Default of any or all of Borrower's obligations to the Grantee, the Grantee may, to the fullest extent permitted by applicable law and without advertisement, hearing or process of law of any kind, (i) exercise any and all rights as beneficial and legal owner of the Intellectual Property Collateral, including, without limitation, any and all consensual rights and powers with respect to the Intellectual Property Collateral and (ii) sell or assign or grant a license or franchise to use, or cause to be sold or assigned or grant a license or franchise to use any or all of the Intellectual Property Collateral, in each case, free of all rights and claims of Grantor therein and thereto. Upon the occurrence and during the continuation of a default of any or all of Borrower's obligations to the Grantee, the Grantee may (i) sell or assign the Intellectual Property Collateral, or any part thereof, for cash or upon credit as the Grantee may deem appropriate or (ii) grant licenses or franchises or both to use the Intellectual Property Collateral on such terms and conditions that the Grantee shall determine. In connection therewith, the Grantee shall have the right to impose such limitations and restrictions

on the sale or assignment of the Intellectual Property Collateral as the Grantee may deem to be necessary or appropriate to comply with any law, rule or regulation (federal, state or local) having applicability to any such sale and requirements for any necessary governmental approvals.

(b) Except as provided in this Section 4, Grantor hereby expressly waives, to the fullest extent permitted by applicable law, any and all notices, advertisements, hearings or process of law in connection with the exercise by the Grantee of any of its rights and remedies hereunder. The Grantee shall not be liable to any person for any incorrect or improper payment made pursuant to this Section 4, in the absence of willful misconduct.

(c) Notwithstanding any provisions of this Agreement to the contrary, if, after giving effect to any sale, transfer, assignment or other disposition of any or all of the Intellectual Property Collateral pursuant hereto and after the application of the proceeds hereunder to the obligations of Borrower to the Grantee, any said obligations remain unpaid or unsatisfied, Grantor shall remain liable for the unpaid and unsatisfied amount of such remaining obligations.

(d) This Agreement is made to provide for and secure repayment of the obligations of Borrower to the Grantee.

5. Termination of Security Interest. This Agreement and the security interests created or granted hereby or thereby, shall terminate when the later of the following shall have occurred: (a) the date that all of the obligations of Borrower to the Grantee shall have been fully and indefeasibly paid and satisfied and (b) the date as of which the last of the commitments and related documents and instruments have terminated with respect to the Loan Documents. After such termination, the Grantee (without recourse upon, or any warranty whatsoever by, the Grantee), shall execute and deliver to Grantor for filing in each office in which any security agreement, notice or other filing, or any part thereof, shall have been filed, an instrument releasing the Grantee's security interest in the Intellectual Property Collateral, and such other documents and instruments to terminate any security interest of the Grantee granted hereby as the Grantor may reasonably request, all without recourse upon, or warranty whatsoever by, the Grantee (except that the same shall be free and clear of any claims, liens or encumbrances created by or in respect of the Grantee) and all at the cost and expense of Grantor.

6. Use and Protection of Intellectual Property Collateral. Notwithstanding anything to the contrary contained herein, unless an Event of Default has occurred and is continuing, Grantor may continue to exploit, license, franchise, use, enjoy and protect (whether in the United States of America or any foreign jurisdiction) the Intellectual Property Collateral in the ordinary course of business and the Grantee shall from time to time execute and deliver, upon written request of Grantor and at Grantor's sole cost and expense, any and all instruments, certificates or other documents, in the form so requested, necessary or appropriate in the judgment of Grantor to enable Grantor to do so.

7. Duties of Grantor. Grantor shall have the duty to preserve and maintain all rights in the Intellectual Property Collateral in respect of which a failure to be able to continue to use the same would have a material adverse effect on the ownership, operation or maintenance of its business and operations, in a manner substantially consistent with its present practices and shall

take all action reasonably requested by the Grantee to register, record and/or perfect the Grantee's right hereunder.

8. The Grantee's Right to Sue. Whenever Borrowers shall have defaulted in any or all of its obligations to the Grantee, the Grantee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if the Grantee shall commence any such suit, Grantor shall, at the request of the Grantee, do any and all lawful acts and execute any and all lawful documents required by the Grantee in aid of such enforcement.

9. No Waiver: Cumulative Remedies. No failure on the part of the Grantee to exercise, and no delay on the part of the Grantee in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or remedy by the Grantee preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies that may be available to the Grantee whether at law, in equity or otherwise.

10. Expenses of Collection. Grantor hereby agrees to pay all expenses of the Grantee, including attorneys' fees, incurred with respect to the collection of any of the Intellectual Property Collateral and the enforcement of the rights of the Grantee hereunder which expenses together with interest thereon at the rate provided in the Loan Documents shall constitute obligations of Grantor to the Grantee thereunder and, therefore, secured hereby.

11. Attorney-in-Fact. Grantor hereby irrevocably constitutes and appoints the Grantee and any officer or agent thereof, with full power of substitution, as Grantor's true and lawful attorney-in-fact, for the purpose of taking such action and executing agreements, instruments and other documents, in the name of Grantor or otherwise, not inconsistent with the express provisions of this Agreement, as the Grantee may deem necessary or advisable to accomplish the purposes hereof, which appointment is an agency coupled with an interest and is irrevocable until payment in full of all obligations of Borrower to the Grantee.

The Grantee agrees that except upon the occurrence and during the continuation of an Event of Default, it will forbear from exercising the power of attorney or any rights granted to the Grantee pursuant to this Section 12.

12. Agreement Governing Law: Binding Character: Assignment. This Agreement shall be governed by and construed in accordance with the laws of the State of California, without regard to principles of conflicts of law. This Agreement shall be binding upon Grantor and the Grantee and their respective successors and assigns and shall inure to the benefit of Grantor and the Grantee, and their respective successors and assigns; provided, however, that Grantor may not assign its rights or obligations hereunder or in connection herewith or any interest herein (voluntarily, by operation of law or otherwise) without the prior written consent of the Grantee. No other person (including, without limitation, any other creditor of Grantor) shall have any interest herein or any right or benefit with respect hereto and this Agreement shall not be construed so as to confer any right or benefit upon any person other than the parties to this Agreement and each of their respective successors and assigns.

13. Further Indemnification. Grantor agrees to pay, and save the Grantee harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all excise, sales or other similar taxes which may be payable with respect to the Intellectual Property Collateral or in connection with any of the transactions contemplated by this Agreement.

14. Severability of Provisions. Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof or affecting the validity or enforceability of such provision in any other jurisdiction.

15. Headings. Paragraph and section headings used in this Agreement are for convenience of reference only and shall not affect the construction of this Agreement.

16. Execution in Counterparts. This Agreement may be executed in any number of counterparts, each of which counterparts, when so executed and delivered, shall be deemed to be an original and all of which counterparts, taken together, shall constitute one and the same Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.
