**DECLARATION REGARDING FRAUDULENT
ASSIGNMENT DOCUMENT**

Dear Commissioner:

The undersigned declares that they have firsthand knowledge of the facts presented below based upon personal investigation of the USPTO records. The facts are as follows:

The current owner of this registration, Clear Innovation LLC, obtained title via recordation of a fraudulent assignment. This fraudulent assignment was recorded on December 8, 2017 and can be found at Reel/Frame 6234/0254. It is discussed in more detail below.

The last correct owner and assignee, Rudell Design, LLC, has been and continues to be the owner of the instant registration. On November 22, 2016, an

assignment was recorded with the USPTO that assigned the entire interest in the registration from BlueBanana Group LLC to Rudell Design, LLC. This assignment can be found at Reel/Frame 5927/0016 and pre-dates the fraudulent assignment to Clear Innovation LLC noted above.

In the fraudulent assignment, BlueBanana LLC assigned the entire interest in the instant registration to Clear Innovation LLC. However, as BlueBanana was no longer the owner of the instant registration (based upon the prior assignment of the entire interest to Rudell Design), BlueBanana did not have interest in the registration to assign. Accordingly, the assignment found at Reel/Frame 6234/0254 is not valid.

As such, Rudell Design, LLC has been and continues to be the owner of the instant registration, and respectfully requests that the Office strike the assignment found at Reel/Frame 6234/0254 from the record and properly list Rudell Design, LLC as the true and correct owner of the instant registration.

The undersigned is hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the registration, further declares that he is properly authorized to execute this declaration on behalf of the true and correct owner of the Registration, and that all statements made of his/her own knowledge are true and that all statements made on information and belief are believed to be true.
