## EXECUTION VERSION

FIRST LIEN TRADEMARK SECURITY AGREEMENT dated as of June 30, 2020 (this “Agreement”), among DUBOIS CHEMICALS, INC., a Delaware corporation and ELDON WATER INC., a Delaware corporation (each, a “Grantor” and collectively, the “Grantors”), and JPMORGAN CHASE BANK, N.A., as Collateral Agent (in such capacity, the “Collateral Agent”).

Reference is made to (a) the First Lien Credit Agreement, dated as of September 30, 2019 (as amended by the First Amendment to First Lien Credit Agreement October 10, 2019, among DCG INTERMEDIATE CORP., a Delaware corporation (“Holdings”), DCG ACQUISITION CORP., a Delaware corporation (the “Borrower”), the Lenders party thereto, JPMorgan as the Administrative Agent and the Collateral Agent, as further amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), among Holdings, the Borrower, the Lenders from time to time party thereto and JPMorgan, as Administrative Agent and Collateral Agent, and (b) the First Lien Collateral Agreement dated as of September 30, 2019 (as supplemented by the Supplement No. 1 to First Lien Collateral Agreement, dated as of May 27, 2020 between Cimcool Industrial Products LLC and the Collateral Agent, and as further amended, amended and restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”), among Holdings, the Borrower, the other Grantors from time to time party thereto and the Collateral Agent. The Lenders and the Issuing Banks have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement. Each Grantor is an Affiliate of the Borrower and is willing to execute and deliver this Agreement in order to induce the Lenders to make additional Loans and the Issuing Banks to issue additional Letters of Credit and as consideration for Loans previously made and Letters of Credit previously issued and to secure the Secured Obligations. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Collateral Agreement or the Credit Agreement, as applicable. The rules of construction specified in Section 1.01(b) of the Collateral Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each of the Grantors hereby grants to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest (the “Security Interest”) in all of such Grantor’s right, title and interest in, to and under the United States trademark registrations and trademark applications listed on Schedule I attached hereto (the “Trademark Collateral”). Notwithstanding the foregoing, for clarity, the Trademark Collateral shall not include any intent-to-use trademark application prior to the filing of a “Statement of Use” or “Amendment to Allege Use” with respect thereto.

SECTION 3. Collateral Agreement. The Security Interest granted to the Collateral Agent herein is granted in furtherance, and not in limitation, of the security interests granted to the Collateral Agent pursuant to the Collateral Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Collateral Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Collateral Agreement, the terms of the Collateral Agreement shall govern.

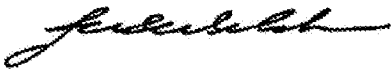

SECTION 4. Termination. Upon the occurrence of the Termination Date, the security interest granted herein shall terminate and the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademark Collateral under this Agreement.

SECTION 5. Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile or other electronic transmission shall be effective as delivery of a manually signed counterpart of this Agreement.

[Remainder of this page intentionally left blank]

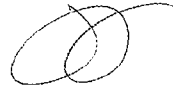

IN WITNESS WHEREOF, the undersigned have executed this Trademark Security Agreement as of the date first above written.
