RECITALS

- A. In connection with that certain Agreement of Purchase and Sale of Assets, dated as of July 1, 2020, by and among Assignee and Assignor, (the "Purchase Agreement"), Assignor is required to sell, convey, assign, transfer, and deliver to Assignee all of Assignor's right, title and interest in and to the trademarks, service marks, and trade names listed on the attached Exhibit A (the "Assigned Trademarks").
- B. Assignee desires to obtain all of Assignor's right, title, and interest in the Assigned Trademarks according to the terms of this Assignment and the Purchase Agreement.

NOW, THEREFORE, in consideration of the covenants, promises and representations set forth in the Purchase Agreement and for \$10.00 and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

Section 1. Assignment. As of the Effective Date, Assignor hereby irrevocably sells, conveys, assigns and transfers to Assignee, its successors, assigns and legal representatives, Assignor's entire worldwide right, title, and interest in and to the Assigned Trademarks, the goodwill of the business associated with and symbolized by the Assigned Trademarks, all registrations and applications for the Assigned Trademarks, together with all common law rights for which no applications or registrations exist, the right to sue for, settle or release any past, present, or future infringement of the Assigned Trademarks, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, and any other corresponding rights that are or may be secured under the laws of the United States, any foreign country or jurisdiction or any multilateral organization for the Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or legal representatives, as fully and entirely as the same would have been held and enjoyed by such Assignor if this Assignment had not been made. Assignor does hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America or equivalent authority elsewhere in the world to record this assignment and to issue such Trademark as shall be granted upon said applications based thereon to Assignee, its successors and assigns.
