SECOND LIEN TRADEMARK SECURITY AGREEMENT

This SECOND LIEN TRADEMARK SECURITY AGREEMENT (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*Trademark Security Agreement*”) dated July 2, 2020, is made by the Persons listed on the signature pages hereof (collectively, the “*Grantors*”) in favor of ALTER DOMUS (US) LLC, as Administrative Agent (as defined in the Credit Agreement referred to below).

Reference is made to (i) the Second Lien Credit Agreement, dated as of July 2, 2020 (as amended, restated, amended and restated, supplemented and/or otherwise modified from time to time, the “*Credit Agreement*”), among Immucor, Inc., IVD Intermediate Holdings B Inc., the Lenders party thereto from time to time and Alter Domus (US) LLC, as Administrative Agent (ii) each Secured Hedge Agreement and (iii) each Secured Cash Management Agreement. The Lenders have agreed to extend credit to the Borrower subject to the terms and conditions set forth in the Credit Agreement, the Hedge Banks have agreed to enter into and/or maintain one or more Secured Hedge Agreements and the Cash Management Banks have agreed to enter into and/or maintain one or more Secured Cash Management Agreements, on the terms and conditions set forth in the Credit Agreement, in such Secured Hedge Agreements or such Secured Cash Management Agreements, as applicable.

Whereas, as a condition precedent to the Lenders extension of such credit, the obligation of the Hedge Banks to enter into and/or maintain such Secured Hedge Agreements and the obligation of the Cash Management Banks to enter into and/or maintain such Secured Cash Management Agreements, each Grantor has executed and delivered that certain Second Lien Security Agreement dated July 2, 2020, made by the Grantors to the Administrative Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the “*Security Agreement*”).

Whereas, under the terms of the Security Agreement, the Grantors have granted to the Administrative Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the U.S. Patent and Trademark Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Terms. Terms defined in the Credit Agreement and Security Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement and Security Agreement.

SECTION 2. Grant of Security. Each Grantor hereby grants to the Administrative Agent, its successors and assigns, for the benefit of the Secured Parties a continuing security interest in all of the Grantor’s right, title and interest in, to and under the Trademarks, including the Trademarks set forth on Schedule A attached hereto; provided, however, that the grant of security interest shall

not include any “intent to use” Trademark applications for which a statement of use has not been filed (but only until such statement is filed).

SECTION 3. Security for Obligations. The grant of a security interest in the Trademarks by each Grantor under this Trademark Security Agreement is made to secure the payment or performance, as the case may be, in full of the Secured Obligations.

SECTION 4. Recordation. Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 5. Execution in Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. Security Agreement. This Trademark Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Administrative Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

[Remainder of this page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Second Lien Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
