SECURITY AGREEMENT - TRADEMARKS

This Security Agreement (this "Agreement") is entered into by DAG Audio Group LLC, ("Debtor"), a New York limited liability company having an address at 141 West 28th Street, New York, NY 10001 and Absara Audio LLC ("Secured Party"), a California limited liability company having an address at 151 West 74th Street, Apartment 5B, New York, New York 10023.

1. DEFINITIONS. Unless otherwise specified, all terms used in this Agreement will have the meanings ascribed to them under the Official Text of the Uniform Commercial Code, as it may be amended from time to time, ("UCC").
2. GRANT OF SECURITY INTEREST. For value received, the Debtor grants to the Secured Party a security interest in the property described below in paragraph 4 (the "Collateral").
3. OBLIGATIONS SECURED. This Agreement secures the payment and performance of: (a) all payment obligations under an Asset Purchase Agreement dated June 5, 2020 and two (2) promissory notes, each dated the dated hereof, issued by DAG Audio Group LLC made payable to Absara Audio LLC and Goldman & Associates, LLP. As escrow agent, in the combined amount of Two Million Nine Hundred Twenty-Three Thousand Ninety-Six Dollars (U.S.\$2,923,096) (collectively, the "Notes") including, but not limited to, all costs and expenses (including reasonable attorney's fees), incurred by Secured Party in the disbursement, administration and collection of the loan evidenced by the Note; (b) all costs and expenses (including reasonable attorney's fees), incurred by Secured Party in the protection, maintenance and enforcement of the security interest hereby granted; (c) all obligations of the Debtor in any other agreement relating to the Note; and (d) any modifications, renewals, refinancings, or extensions of the foregoing obligations.

The Note and all other obligations secured hereby are collectively called the "Obligations."

4. COLLATERAL DESCRIPTION. The Collateral in which this security interest is granted is Debtor's property described below, now owned or hereafter acquired:

(a) all state (including common law), federal and foreign trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or other business identifiers, domain names, designs and general intangibles of like natures, together with and including all licenses therefor held by company (unless otherwise prohibited by any license or related licensing agreement under circumstances where the granting of the security interest would have the effect under applicable law of the termination or permitting termination of the license for breach and where the licensor has elected such termination remedy), and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the United States Patent and Trademark Office, any State of the United States or any other country or any political subdivision thereof (but excluding any "intent-to-use" application for registration of the trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. Section 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a

security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law), and all extensions or renewals thereof, including any of the foregoing identified on Schedule B2.A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation of any foreign country and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of Company or in the name of Lender for past, present or future infringement or uncontested use thereof, and all rights arising therefrom throughout the world as set forth on Exhibit A attached hereto and made a part hereof (collectively, the "Trademarks");

(b) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(c) all general intangibles (as defined in the UCC) related to or arising out of any of the Trademarks and all the goodwill of Company's business symbolized by the Trademarks or associated therewith; and

(d) all proceeds of any and all of the foregoing Trademark Collateral, including, without limitation, license royalties, rights to payment, accounts receivable, proceeds of infringement suits and all payments under insurance or any indemnity, warranty or guaranty payable by reason nor loss or damage to or otherwise with respect to the foregoing Trademark Collateral.

5. RESTRICTIONS ON COLLATERAL TRANSFER. Debtor will not sell, lease, license or otherwise transfer (including, but not limited to, by granting security interests, liens, or other encumbrances in) all or any part of the Collateral or Debtor's interest in the Collateral without Secured Party's written approval, except that Debtor may sell inventory in the ordinary course of business on customary terms so long as there is no default on either Note. So long as there is no default on either Note, Debtor may collect and use amounts due on accounts and other rights to payment arising or created in the ordinary course of business.

6. MAINTENANCE AND LOCATION OF COLLATERAL; INSPECTION; INSURANCE. Debtor must promptly notify Secured Party by written or electronic communication of any change in location of the Collateral, specifying the new location. Debtor hereby grants to Secured Party the right to inspect the Collateral at all reasonable times and upon reasonable notice. Debtor must: (a) maintain the Collateral in good condition; and (b) pay promptly all taxes, judgments, or charges of any kind levied or assessed thereon. Debtor covenants and agrees with the Secured Party that from and after the date of this Agreement until the Notes are indefeasibly satisfied in full, (a) Debtor will (i) continue to use each trademark included in the Collateral (each a "Trademark" and collectively, the "Trademarks") as reflected in its current catalogs, brochures and price lists in order to maintain such Trademark in full force free from any claim of abandonment for non-use, (ii) maintain as in the past the quality of products and services offered under such Trademark, (iii) use reasonable efforts to employ such Trademarks with the appropriate notice of registration, (iv) not adopt or use any mark which is confusingly similar or a colorable imitation of such Trademark unless within 45 days after such use or adoption the Secured Party, shall obtain a perfected security interest in such mark pursuant to this Agreement, and (v) not (and use commercially reasonable efforts to not permit any licensee

or sublicensee thereof to) do any act or knowingly omit to do any act whereby any Trademark may become invalidated.

7. **CHANGES TO DEBTOR'S LEGAL STRUCTURE, PLACE OF BUSINESS, JURISDICTION OF ORGANIZATION, OR NAME.** Debtor must notify Secured Party by written or electronic communication not less than 30 days before taking any of the following actions: (a) changing or reorganizing the type of organization or form under which it does business; (b) moving, changing its place of business or adding a place of business; (c) changing its jurisdiction of organization; or (d) changing its name. Debtor will pay for the preparation and filing of all documents, Secured Party deems necessary to maintain, perfect and continue the perfection of Secured Party's security interest in the event of any such change.

8. **PERFECTION OF SECURITY INTEREST.** Debtor consents, without further notice, to Secured Party's filing or recording of any documents necessary to perfect, continue, amend or terminate its security interest. Upon request of Secured Party, Debtor must sign or otherwise authenticate all documents that Secured Party deems necessary at any time to allow Secured Party to acquire, perfect, continue or amend its security interest in the Collateral. Debtor will pay the filing and recording costs of any documents relating to Secured Party's security interest. Debtor ratifies all previous filings and recordings, including financing statements and notations on certificates of title. Debtor will cooperate with Secured Party in obtaining a Control Agreement satisfactory to Secured Party with respect to any Deposit Accounts or Investment Property, or in otherwise obtaining control or possession of that or any other Collateral.

9. **DEFAULT.** Debtor is in default under this Agreement if: (a) Debtor fails to pay, perform or otherwise comply with any provision of this Agreement; (b) Debtor makes any materially false representation, warranty or certification in, or in connection with, this Agreement, the Notes, or any other agreement related to the Notes or this Agreement; (c) another secured party or judgment creditor exercises its rights against the Collateral; or (d) an event defined as a "default" under the Obligations occurs. In the event of default and if Secured Party requests, Debtor must assemble and make available all Collateral at a place and time designated by Secured Party. Upon default and at any time thereafter, Secured Party may declare all Obligations secured hereby immediately due and payable, and, in its sole discretion, may proceed to enforce payment of same and exercise any of the rights and remedies available to a secured party by law including those available to it under Article 9 of the UCC that is in effect in the jurisdiction where Debtor or the Collateral is located. Unless otherwise required under applicable law, Secured Party has no obligation to clean or otherwise prepare the Collateral for sale or other disposition and Debtor waives any right it may have to require Secured Party to enforce the security interest or payment or performance of the Obligations against any other person.

10. **RECORDATION.** The Debtor authorizes and requests that the Commissioner for Trademarks and any other applicable government office record this Agreement.

11. **GRANTS, RIGHTS AND REMEDIES.** This Agreement has been executed and delivered by the Debtor for the purpose of recording the grant of security interest herein with the U.S. Patent

and Trademark Office. This Agreement (and all rights and remedies of the Secured Party) shall remain in full force and effect in accordance with its terms.

11. **GOVERNING LAW.** (a) All questions pertaining to the validity, construction, execution and performance of this Agreement shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to the conflicts or choice of law provisions thereof. Any action, suit or other proceeding initiated by either party hereto against the other party under or in connection with this Agreement may be brought in any Federal or state court in the State of New York, Nassau County or Suffolk County as the party bringing such action, suit or proceeding shall elect, having jurisdiction over the subject matter hereof. Debtor and Secured Party each hereby agree to submit themselves to the jurisdiction of any such court for a period of five (5) years from the date of this Agreement, and agree that service of process on them in any such action, suit or proceeding may be effected by the means by which notices are to be given under this Agreement.

(b) Debtor and Secured Party hereby waives, to the fullest extent it may effectively do so under applicable law, (i) its right to a jury trial, and (ii) any objection that it may have or hereafter have to the laying of venue of any such action, suit or proceeding brought in any court provided for herein and any claim that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum.

12. **SECURED PARTY RIGHTS.** All rights conferred in this Agreement on Secured Party are in addition to those granted to it by law, and all rights are cumulative and may be exercised simultaneously. Failure of Secured Party to enforce any rights or remedies will not constitute an estoppel or waiver of Secured Party's ability to exercise such rights or remedies. Unless otherwise required under applicable law, Secured Party is not liable for any loss or damage to Collateral in its possession or under its control, nor will such loss or damage reduce or discharge the Obligations that are due, even if Secured Party's actions or inactions caused or in any way contributed to such loss or damage.

13. **SEVERABILITY.** Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. Further, to the extent that any provision hereof is deemed unenforceable by virtue its terms, but may be made enforceable by limitations thereon, the parties agree that such reductions or limitations may be made so that the same shall, nevertheless, be enforceable to the fullest extent permissible under the laws and public policies applied in any such jurisdiction in which enforcement is sought.

14. **DEBTOR CERTIFICATIONS.** Debtor certifies that: (a) its Name (or Names) as stated above is correct; (b) all Collateral is owned or titled in the Debtor's name and not in the name of any other organization or individual; (c) Debtor has the legal authority to grant the security interest in the Collateral; (d) Debtor's ownership in or title to the Collateral is free of all adverse claims, liens, or security interests (unless expressly permitted by Secured Party); (e) none of the Obligations are or will be primarily for personal, family or household purposes; (f) none of the Collateral is or will be used, or has been or will be bought primarily for personal, family or

household purposes; and (g) Debtor has read and understands the meaning and effect of all terms of this Agreement.

15. **DEBTOR NAME(S) AND SIGNATURE(S)**. By signing or otherwise authenticating below, each individual and each organization becomes jointly and severally obligated as a Debtor under this Agreement.

16. **FURTHER ASSURANCES**. Debtor agrees to execute and deliver any further instruments, certificates and documents as may be reasonably requested by the Secured Party for the purpose of carrying out the terms and conditions and reflecting the intention of and transactions contemplated by this Agreement.
