**TRADEMARK ASSIGNMENT**

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into effective June 29, 2020, by and between ETG Holdings, LLC, an Alabama limited liability company ("Assignor"), and ClinicAnywhere, LLC, an Alabama limited liability company ("Assignee").

WHEREAS, Assignor is the owner of the trademark listed on Exhibit A attached hereto (the "Trademark"), and

WHEREAS, Assignor desires to sell, assign, transfer, and convey to Assignee, and Assignee desires to accept from Assignor, all of Assignor's right, title and interest in and to the Trademark.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns to Assignee all of Assignor's right, title and interest in and to the Trademark, together with all associated goodwill, all applications and registrations therefor, and the right to sue in Assignee's own name for all claims arising out of or relating to past or continuing infringements or other violations thereof, with the right to sue for and collect damages therefor and all income, royalties and damages hereafter due or payable with respect to the Trademark, all of said rights to be held and enjoyed by Assignee for its own use and for the use and benefit of its successors, assigns and other legal representatives as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor covenants that, upon the reasonable request of Assignee, Assignor will, at Assignee's sole cost and expense, execute all documents and take all such further action that is reasonably necessary to enable Assignee to obtain, maintain and enforce its rights and interest in and to the Trademark.
