TRADEMARK ASSIGNMENT

This Trademark Assignment Agreement (“Agreement”) is by and between Growth & Exit Planning Collaborative, LLC, a Pennsylvania limited liability company (“Assignor”), and GEXP Collaborative, LLC, a Pennsylvania limited liability company having a mailing address of 3417 Lashan Drive, Murrysville, PA 15668 (“Assignee”), and is effective as of the date representatives of both parties have signed this Agreement.

WHEREAS, Assignor is the owner of all right, title, and interest in and to the trademarks and the corresponding registrations and applications for registration set forth on Exhibit 1 (collectively, the “Trademarks”), together with the goodwill of the business connected with and symbolized by the Trademarks; and

WHEREAS, Assignee desires to acquire all right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

Assignor hereby sells, assigns, transfers, and conveys to Assignee the entire right, title, and interest in and to the Trademarks in the United States and all jurisdictions outside the United States, together with the goodwill of the business connected with and symbolized by the Trademarks (including, without limitation, the right to renew any registrations included in the Trademarks, the right to apply for trademark registrations within or outside the United States based in whole or in part upon the Trademarks, and any priority right that may arise from the Trademarks), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and applications for registration set forth on Exhibit 1 to Assignee as assignee of Assignor’s entire right, title, and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this Agreement or to confirm Assignee’s ownership of the Trademarks.

This Agreement may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission or by e-mail, which shall be deemed delivery of an originally executed document.
