TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Trademark Security Agreement”), dated as of July 7, 2020, is made by Blue Island Hospital Company, LLC, a Delaware limited liability company, QHCCS, LLC, a Delaware limited liability company, and Quorum Health Resources, LLC, a Delaware limited liability company (each, a “Grantor” and collectively, the “Grantors”) in favor of Credit Suisse AG, New York Branch, as administrative agent (in such capacity, together with its successors and permitted assigns, the “Administrative Agent”) for the benefit of itself and the Secured Parties (as defined in the Security and Pledge Agreement (defined below)).

Notwithstanding anything herein to the contrary, the lien and security interest granted to the Administrative Agent, for the benefit of the Secured Parties hereunder and the exercise of any right or remedy by the Administrative Agent and the other Secured Parties hereunder are subject to the provisions of the Term Loan/ABL Intercreditor Agreement (as defined in, and entered into in accordance with the provisions of, the ABL Credit Agreement referred to herein). In the event of any conflict or inconsistency between the provisions of the Term Loan/ABL Intercreditor Agreement and this Trademark Security Agreement, the provisions of the Term Loan/ABL Intercreditor Agreement shall control.

WITNESSETH:

WHEREAS, Quorum Health Corporation, a Delaware corporation (the “Borrower”), Quincy Health, LLC, a Delaware limited liability company (“Holdings”), certain other of Borrower’s subsidiaries from time to time party thereto as Subsidiary Guarantors, the lenders from time to time party thereto (collectively, the “Lenders”) and the Administrative Agent have entered into that certain Credit and Guaranty Agreement dated as of the date hereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “ABL Credit Agreement”);

WHEREAS, as a condition to the extension of credit by the Lenders to the Borrower under the ABL Credit Agreement, each Grantor has agreed, pursuant to the Security and Pledge Agreement dated as of the date hereof (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “Security and Pledge Agreement”), to grant to the Administrative Agent (for the benefit of itself and the Secured Parties) a security interest in, and lien on, all of the Trademark Collateral (defined below); and

WHEREAS, pursuant to the Security and Pledge Agreement, each Grantor is required to execute and deliver this Trademark Security Agreement for purposes of recording such security interest with the United States Patent and Trademark Office;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the ABL Credit Agreement or the Security and Pledge Agreement, as applicable.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as security for the payment and performance, as the case may be, in full of the Secured Obligations of such Grantor, hereby assigns and pledges to the Administrative Agent, its successors and permitted assigns, for the benefit of the Secured Parties, a Lien on and security interest in all of its right, title and interest in or to any and all of the following Collateral of such Grantor (the “Trademark Collateral”):

(a) all of its Trademarks for which applications are pending in the United States Patent and Trademark Office (other than Excluded Assets), including, without limitation, those listed on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, fees, royalties, damages, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Notwithstanding the foregoing, no grant of any Lien or security interest shall be deemed granted hereunder on or in any "intent to use" Trademark application until such time, if any, as a Statement of Use or Amendment to Allege Use, as applicable, has been filed with and accepted by the United States Patent and Trademark Office, at which time such Trademark application shall automatically become part of the Trademark Collateral unless it is otherwise excluded from the Collateral pursuant to the terms of the Security and Pledge Agreement or ABL Credit Agreement

Section 3. Security and Pledge Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security and Pledge Agreement, and each Grantor hereby acknowledges and agrees that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security and Pledge Agreement. In the event of a conflict between the provisions of this Trademark Security Agreement and the provisions of the Security and Pledge Agreement, the Security and Pledge Agreement shall control.

Section 4. Termination. This Trademark Security Agreement shall terminate and the Lien on and security interest in the Trademark Collateral shall be released upon the payment and performance of the Secured Obligations. Upon the termination of this Trademark Security Agreement, the Administrative Agent shall execute all documents, make all filings, take all other actions reasonably requested by the Grantors to evidence and record the release of the Lien on and security interests in the Trademark Collateral granted herein.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

Section 7. Security for Obligations. The grant of a security interest in the Trademark Collateral by each Grantor under this Trademark Security Agreement secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or

otherwise. Without limiting the generality of the foregoing, this Trademark Security Agreement secures, as to each Grantor, the payment of all amounts that constitute part of the secured Obligations and that would be owed by such Grantor to any Secured Party under the Loan Documents but for the fact that such secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Credit Party.

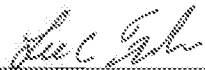

Section 8. Recordation. This Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. Each Grantor authorizes and requests that the Commissioner for Patents and the Commissioner for Trademarks record this Trademark Security Agreement.

Section 9. Severability. In case any one or more of the provisions contained in this Trademark Security Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security and Pledge Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
