ASSIGNMENT OF TRADEMARKS

July 7, 2020

MLT Technology Services, LLC, an Arizona limited liability company ("Assignor"), having its principal place of business at 5660 N. Saguaro Road, Paradise Valley, AZ 85253, USA, is the owner of the trademark registrations listed in the attached Schedule A and Schedule B, including all of Assignor's common law, statutory, and registration-based rights therein and trade names associated therewith, used in connection with the goods and services recited within Schedules A and B (collectively, the "Trademarks").

Frontier Technology, LLC, an Arizona limited liability company ("Assignee"), having its principal place of business at 8160 N. Hardy Dr. #101, Tempe, AZ 85284, is desirous of acquiring all rights in and to the Trademarks, including all common-law rights therein and thereto and all goodwill of the business associated with the Trademarks. Assignor is a member of Assignee and intends to assign and transfer the Trademarks to Assignee as a contribution of capital to Assignee, and Assignee intends to accept such assignment and transfer as such a contribution of capital.

Now, therefore, effective as of the date first above written, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby contributes, assigns and transfers to Assignee, and its successors in interest, all ownership, right, title and interest in and to the Trademarks, together with all of the goodwill of the business associated with the Trademarks and applications and registrations thereof, and including any U.S., Canadian, foreign, common-law and other rights, all claims, demands and causes for action, both at law and in equity, that Assignor may have, or may hereinafter acquire, on account of any infringement of said Trademarks and any applications and registrations thereof prior to the date hereof, and does hereby empower Assignee, and its successors in interest, to sue for and collect the same, to its and their own and absolute use. Assignor hereby agrees that it shall execute any additional documents necessary to complete the recordation of this Assignment in any country or jurisdiction where necessary.
