## AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This **AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT**, dated as of June 30, 2020 (this “Agreement”), is made by Parker Drilling Company, a Delaware corporation (“Parker”), and Parker Technology, LLC., an Oklahoma limited liability company (together with Parker, collectively, the “Grantors” and, each individually, a “Grantor”), in favor of Bank of America, N.A., as Administrative Agent for each of the Secured Parties (in such capacity and together with its successors and assigns in such capacity, the “Administrative Agent”).

**WHEREAS**, pursuant to that certain Credit Agreement, dated as of March 26, 2019, by and among the Grantors, the other Loan Parties party thereto, the Administrative Agent, the lenders party thereto, the L/C Issuers, and the other Persons from time to time party thereto (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), the Lenders have severally agreed to make extensions of credit to the Borrowers upon the terms and conditions set forth therein;

**WHEREAS**, as a condition precedent to the obligation of the Lenders to make their respective extension of credit to the Borrowers under the Credit Agreement, the Borrowers, the Grantors and the other Subsidiary Guarantors entered into a Pledge and Security Agreement dated as of March 26, 2019 (as amended, restated, supplemented or otherwise modified from time to time, the “Pledge and Security Agreement”) in favor of the Administrative Agent, pursuant to which the Grantors granted to the Administrative Agent, for its benefit and the benefit of each other Secured Party, a continuing security interest in all of each Grantor’s right, title and interest in the Trademark Collateral (as defined below); and

**WHEREAS**, Grantors and Administrative Agent entered into that certain Trademark Security Agreement dated as of March 26, 2019 (the “Original Agreement”) and desire to amend and restate the Original Agreement in its entirety;

**NOW, THEREFORE**, in consideration of the foregoing and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, each Grantor hereby agrees with the Administrative Agent as follows:

### **SECTION 1. Defined Terms**

Capitalized terms used but not defined herein shall have the respective meanings given thereto in the Pledge and Security Agreement, and if not defined therein, shall have the respective meanings given thereto in the Credit Agreement.

### **SECTION 2. Grant of Security Interest in Trademark Collateral**

**SECTION 2.1 Grant of Security.** Each Grantor hereby grants to the Administrative Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in all of such Grantor’s right, title and interest in the following property, whether now or hereafter existing, owned or acquired by such Grantor, and wherever located (collectively, the “Trademark Collateral”):

(a) (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, including, without limitation, the registrations and applications listed in Schedule A attached hereto, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office and corresponding offices in other countries of the world, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions or renewals of the foregoing;

(b) all Trademark Licenses and other agreements for the grant by or to any Grantor of any right to use any Trademark;

(c) all of the goodwill of the business connected with the use of, and symbolized by the Trademarks described in clause (a) above and, to the extent applicable, clause (b) above;

(d) the right to sue third parties for past, present and future infringements or dilution of the Trademarks described in clause (a) above and, to the extent applicable, clause (b) above or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark License; and

(e) all proceeds of, and rights associated with, the foregoing (including Proceeds, licenses, royalties, income, payments, claims, damages and proceeds of infringement suits).

**SECTION 2.2 Certain Limited Exclusions.** Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 2.1 hereof attach to any “intent-to-use” application for registration of a Trademark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a “Statement of Use” pursuant to Section 1(d) of the Lanham Act or an “Amendment to Allege Use” pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law.

### **SECTION 3. Security Agreement**

The security interest granted pursuant to this Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the benefit of the Secured Parties pursuant to the Pledge and Security Agreement, and each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

**SECTION 4. Governing Law**

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND EFFECT OF PERFECTION OF THE SECURITY INTERESTS).

**SECTION 5. Counterparts**

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

**SECTION 6. Amendment and Restatement**

This Agreement constitutes an amendment and restatement of the Original Agreement and is not, intended by the parties hereto to be, and shall not be deemed or construed as, a novation or termination of the Original Agreement. The parties hereto hereby acknowledge, confirm, reaffirm, ratify and agree that the Original Agreement is hereby replaced by this Agreement.

[Remainder of page intentionally left blank]

IN WITNESS WHEREOF, each Grantor has caused this Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

GRANTOR:

PARKER DRILLING COMPANY
