**GRANT OF SECURITY INTEREST IN  
INTELLECTUAL PROPERTY**

THIS GRANT OF SECURITY INTEREST IN INTELLECTUAL PROPERTY (herein, this "Security Agreement") made as of this 21st day of July, 2020, by **360SWEATER COMPANY, LLC**, a California limited liability company, with its principal place of business at 1447 Cloverfield Boulevard, Santa Monica, California 90404 (herein the "Company"), and **THE CIT GROUP/COMMERCIAL SERVICES, INC.**, a New York corporation, with offices at 300 South Grand Avenue, Los Angeles, California 90071 (herein "CIT").

**WITNESSETH:**

WHEREAS, the Company and CIT are parties to certain factoring and/or financing arrangements, pursuant to which CIT may make certain loans and advances to the Company, all as further set forth in the factoring, loan and/or security documents executed from time to time by the Company with or in favor of CIT, as all of the same may be amended from time to time (herein collectively, the "Agreement"), which Agreement provides (i) for CIT to purchase, at its discretion certain accounts receivable of the Company and/or make certain loans, advances and extensions of credit, all to or for the benefit and account of the Company, and (ii) for the grant by the Company to CIT, as collateral security therefor, a security interest in certain of the Company's assets, including, without limitation, Intellectual Property Collateral, as more fully set forth herein and in the Agreement;

NOW THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, the Company agrees as follows:

1. **Definitions.** Capitalized terms used herein and defined in the Agreement shall have the meanings set forth therein unless otherwise specifically defined herein.
2. **Grant of Security Interest.** To secure the payment of the "Obligations" (as defined in the Agreement), the Company hereby reaffirms its grant to CIT of a security interest in all of the Company's right, title and interest in and to all of the following described property listed in paragraphs 2(i) – (xi) below, whether now owned or hereafter acquired (collectively herein the "Intellectual Property Collateral"):
  - (i) All patents, patent applications, patent disclosures and all related re-issuances, continuations, continuations-in-part, renewals, substitutions, refiles, divisions, revisions, extensions, reexaminations and counterparts thereof, all industrial designs, industrial models and utility models, certificates of invention, plant patents and design patents, including, without limitation, the patents and applications, if any listed on **Schedule A** attached hereto and made a part hereof, including the right to receive all proceeds therefrom
  - (ii) All registered and unregistered trademarks, service marks, domain names, trade dress and product configurations, logos, trade names, social media source identifiers, together with all translations, adaptations, modifications, derivations and combinations thereof and including all goodwill associated therewith and all applications, registrations, renewals and extensions in connection therewith, including, without limitation, all applications and registrations, if any listed on

**Schedule B** attached hereto and made a part hereof, and any and all reissues and/or renewals thereof;

- (iii) All registered and unregistered copyrights in both published and unpublished works and all moral rights, and all applications, registrations, renewals and extensions in connection therewith, together with all translations, adaptations, modifications, derivations, combinations and derivative works thereof, all applications and registrations, if any, listed on **Schedule C** attached hereto and made a part hereof;
  - (iv) All internet domain names and uniform resource locators;
  - (v) All inventions, developments and discoveries (whether or not patentable and whether or not reduced to practice), and all proprietary methods, technical information, technologies, systems, processes, procedures, know-how, data and trade secrets (as such are determined under applicable law);
  - (vi) All of the foregoing contained or embodied in or with respect to any Software;
  - (vii) All copies and tangible embodiments thereof (in whatever form or medium);
  - (viii) All licenses or other rights in which the Company is or becomes licensed to use any patents, trademarks and/or other intellectual property rights owned by a third party including, without limitation, the licenses, if any, listed on **Schedule D** attached hereto and made a part hereof, and all license fees and royalties arising from such use to the extent permitted by such license or rights;
  - (ix) The goodwill of the Company's business connected with and symbolized by the Intellectual Property Collateral;
  - (x) Any and all of the Company's rights and interests in any of the foregoing as they relate to the Company's accounts, inventory, equipment and general intangibles, or any Collateral bearing any of the foregoing, including without limitation the right to sell inventory, goods and property bearing or covered by any of the Intellectual Property Collateral; and
  - (xi) All cash and non-cash proceeds, royalties and income of the foregoing, including without limitation any amounts obtained pursuant to any licenses, infringement, misappropriation, violation, impairment, insurance, indemnity or warranty.
3. **CIT's Rights.** Upon the occurrence of any Event of Default hereunder, CIT shall have all the rights and remedies of a secured party under the Uniform Commercial Code and any other applicable state or federal laws. CIT will give the Company reasonable notice of the time and place of any public sale of the Intellectual Property Collateral or the time after which any private sale of the Intellectual Property Collateral or any other intended disposition thereof is to be made. Unless otherwise provided by law, the requirement of reasonable notice shall be met if such notice is mailed, postage prepaid to the address of the Company set forth above at least ten (10) days before the date of such sale or disposition. In addition to the foregoing and all other rights and remedies of CIT, upon the occurrence of any Event of Default hereunder, CIT shall thereupon have the immediate right to transfer to itself or to sell, assign and transfer to any other person all right, title and interest in and to all or any part of the Intellectual Property Collateral. A formal irrevocable

power of attorney (in the form annexed hereto) is being executed and delivered by the Company to CIT concurrently with this Security Agreement to enable such rights to be carried out. The Company agrees that, in the event CIT exercises its rights hereunder and/or pursuant to said power of attorney in accordance with its terms, after written notification of such exercise from CIT to the Company, the Company shall never thereafter, without the prior written authorization of the owner or owners of such Intellectual Property Collateral, use any of such Intellectual Property Collateral. The condition of the foregoing provision is such that unless and until there occurs an Event of Default under this Security Agreement, the Company shall continue to own and use the Intellectual Property Collateral in the normal course of its business, in a manner that does not adversely affect CIT's rights and interests hereunder, and to conditionally enjoy the benefits, royalties and profits therefrom provided, however, that from and after the occurrence of an Event of Default such right will, upon the exercise by CIT of the rights provided by this Security Agreement, be revoked and the right of the Company to enjoy the uses, benefits, royalties and profits of said Intellectual Property Collateral will wholly cease, whereupon CIT or its transferee(s) shall be entitled to all of the Company's right, title and interest in and to the Intellectual Property Collateral hereby so assigned. This Security Agreement will not operate to place upon CIT any duty or responsibility to maintain the Intellectual Property Collateral.

4. **Fees.** The Company will pay all fees, costs and expenses, including attorneys' fees, with respect to the security interest created hereby which CIT may deem necessary or advisable in order to perfect and/or maintain the perfection or priority of its security interest in the Intellectual Property Collateral, including, without limitation, all applicable fees, costs and expenses to record this Security Agreement with the United States Patent and Trademark Office.
5. **Representations and Warranties.** The Company represents and warrants: that the Company lawfully possesses and owns the Intellectual Property Collateral and that except for the security interest granted hereby, the Intellectual Property Collateral will be kept free from all liens, security interests, claims and encumbrances whatsoever. Additionally, the Company represents and warrants that it has not made or given any prior assignment, transfer or security interest in the Intellectual Property Collateral or any of the proceeds thereof; that the Intellectual Property Collateral is and will continue to be, in all respects, in full force and effect; and that there are no known infringements of the Intellectual Property Collateral. The Company agrees not to take any action inconsistent with the terms and intent hereof, provided that the Company may enter into licensing agreements in the ordinary course of its business on fair and reasonable terms, provided further that no Event of Default (as defined herein below) has occurred and that any such agreement does not adversely affect CIT's rights and interests hereunder. The Company hereby further agrees to provide notice to CIT of any hereafter acquired Intellectual Property Collateral, and such Collateral shall be automatically subject to the terms hereof and Company shall take any such additional action as CIT shall reasonably request with respect thereto. Company authorizes CIT to modify this Security Agreement by amending Schedules A, B, C and D to include any future Intellectual Property Collateral covered hereby.
6. **Covenants.** (i) Upon request of CIT, the Company agrees that all after-acquired licenses of the Intellectual Property Collateral to any third party will contain one or more provisions requiring that such licenses automatically terminate upon a "rejection" of such licenses, pursuant to the Bankruptcy Code, by the Company in connection with a case under the Bankruptcy Code involving the Company as a debtor; and (ii) The Company agrees to allow CIT to audit/inspect any licenses affecting the Intellectual Property Collateral upon

reasonable written request by CIT. The Company further agrees to provide written notice to CIT of any new licensing agreements or other agreements affecting the Intellectual Property Collateral. The Company further agrees to provide written notice to CIT of any hereafter acquired Intellectual Property Collateral, which Collateral shall be automatically subject to the terms hereof, and Company shall take any such additional action as CIT shall reasonably request with respect thereto. Company authorizes CIT to modify this Security Agreement by amending Schedules A, B, C and D to include any future Intellectual Property Collateral covered hereby.

7. **Application of Proceeds.** The proceeds of any sale, transfer or disposition of the Intellectual Property Collateral shall be applied first to all costs and expenses, including, but not limited to, reasonable attorneys' fees and expenses and court costs, incurred by CIT in connection with such sale and the exercise of CIT' rights and remedies hereunder and under the Agreement; next, such proceeds shall be applied to the payment, in whole or in part, of the Obligations due CIT in such order as CIT may elect; and the balance, if any, shall be paid to the Company or as a court of competent jurisdiction may direct. The Company hereby agrees that it shall be liable to CIT for, and shall pay to CIT on demand, any deficiency which may remain after such application of proceeds.
8. **Defense of Claims.** The Company will defend at its own cost and expense any action, claim or proceeding affecting the Intellectual Property Collateral or the interest of CIT therein. The Company agrees to reimburse CIT for all costs and expenses (including reasonable attorneys' fees) incurred by CIT in defending any such action, claim or proceeding.
9. **Rights Cumulative.** This Security Agreement shall be in addition to the Agreement and shall not be deemed to affect, modify or limit the Agreement or any rights that CIT has under the Agreement. All CIT's rights and remedies with respect to the Intellectual Property Collateral, whether established herein or by the Agreement, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. The Company agrees to execute and deliver to CIT (at the Company's expense) any further documentation or papers necessary to carry out the intent or purpose of this Security Agreement including, but not limited to, financing statements under the Uniform Commercial Code.
10. **Construction and Invalidity.** Any provisions hereof contrary to, prohibited by or invalid under any laws or regulations shall be inapplicable and deemed omitted here from, but shall not invalidate the remaining provisions hereof.
11. **JURY TRIAL WAIVER; CHOICE OF LAW.** TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY HERETO HEREBY WAIVES ANY RIGHT TO A TRIAL BY JURY IN ANY ACTION OR PROCEEDING ARISING DIRECTLY OR INDIRECTLY OUT OF THIS SECURITY AGREEMENT, OR ANY OTHER AGREEMENT OR TRANSACTION BETWEEN THE PARTIES HERETO. NOTWITHSTANDING THE PLACE OF EXECUTION HEREOF, EACH PARTY HERETO AGREES THAT THE VALIDITY, INTERPRETATION AND ENFORCEMENT OF THIS SECURITY AGREEMENT AND ALL RIGHTS HEREUNDER SHALL BE GOVERNED BY THE LAWS OF THE STATE OF CALIFORNIA.

The parties to this Security Agreement prefer that any dispute between or among them be resolved in litigation subject to the above jury trial waiver. If, and only if, a pre-dispute jury trial waiver of the type provided for herein is unenforceable in litigation to resolve any

dispute, claim, cause of action or controversy under this Security Agreement or any other document (each, a "Claim") in the venue where the Claim is being brought pursuant to the terms of this Security Agreement, then, upon the written request of any party, such Claim, including any and all questions of law or fact relating thereto, shall be determined exclusively by a judicial reference proceeding. Except as otherwise provided herein, venue for any such reference proceeding shall be in the state or federal court in the County or District where venue is appropriate under applicable law (the "Court"). The parties shall select a single neutral referee, who shall be a retired state or federal judge. If the parties cannot agree upon a referee within 30 days, the Court shall appoint the referee. The referee shall report a statement of decision to the Court. Notwithstanding the foregoing, nothing in this paragraph shall limit the right of any party at any time to exercise self-help remedies, foreclose against collateral or obtain provisional remedies (including without limitation, requests for temporary restraining orders, preliminary injunctions, writs of possession, writs of attachment, appointment of a receiver, or any orders that a court may issue to preserve the status quo, to prevent irreparable injury or to allow a party to enforce its liens and security interests). The parties shall bear the fees and expenses of the referee equally unless the referee orders otherwise. The referee also shall determine all issues relating to the applicability, interpretation, and enforceability of this section. The parties acknowledge that any Claim determined by reference pursuant to this section shall not be adjudicated by a jury.

12. **Events of Default.** Any of the following constitutes an "Event of Default" under this Security Agreement:

- (i) The Company fails to perform or observe any agreement, covenant or condition required under this Security Agreement;
- (ii) Any warranty or representation made by Company, in this Security Agreement shall be or becomes false or misleading in any material respect;
- (iii) The Company files a voluntary petition for relief under any chapter of the Bankruptcy Code or an involuntary petition for relief is filed against the Company under the Bankruptcy Code, or the Company otherwise becomes unable to pay its debt(s) as they become due, including but not limited to repayment of the Obligations under the Agreement; and/or
- (iv) The occurrence of any Event of Default under the Agreement which is not waived in writing by CIT.

13. **Notices.** The Company covenants and agrees that, with respect to the Intellectual Property Collateral, it will give CIT written notice at the address set forth above of:

- (i) any claim by a third party that the Company has infringed on the rights of a third party;
- (ii) any suspected infringement by a third party on the rights of the Company; or
- (iii) any Intellectual Property Collateral created, arising or acquired by the Company after the date hereof.

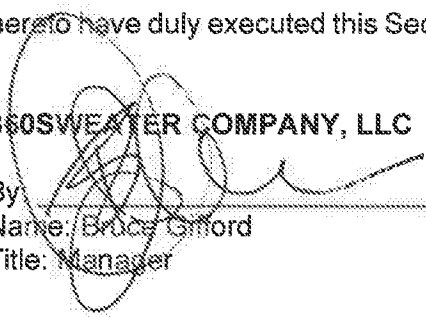

14. **Further Assurances.** The Company will take any such action as CIT may reasonably

require to further confirm or protect CIT' rights under this Security Agreement in the Intellectual Property Collateral. In furtherance thereof, the Company hereby grants to CIT a power of attorney coupled with an interest which shall be irrevocable during the term of this Security Agreement to execute any documentation or take any action in the Company's behalf required to effectuate the terms, provisions and conditions of this Security Agreement.

15. **Termination.** This Security Agreement shall terminate upon termination of the Agreement and full, final and indefeasible payment in cash of all Obligations of the Company thereunder. Upon the Company's request, CIT shall within a reasonable time after any such termination execute and deliver to the Company (at the Company's expense) such documents and instruments as are reasonably necessary to evidence such termination and release of the security interest granted herein on any applicable public record.
16. **Assignment.** This Security Agreement binds and benefits each of us and our respective successors and assigns; provided, however, that the Company may not assign this Security Agreement or its rights hereunder without CIT's prior written consent. The Company agrees that CIT may, without notifying the Company, sell, assign or transfer CIT's rights and obligations under this Security Agreement, including, without limitation, CIT's rights and obligations with respect to the Intellectual Property Collateral.
17. **Miscellaneous.** **This Security Agreement, together with the Agreement constitutes the entire agreement of the Company and CIT with respect to the subject matter hereof and supersedes and prior agreements or understandings.** This Security Agreement can be changed only by a writing signed by both the Company and CIT (except as stated in paragraph 5 above) and CIT's failure or delay in exercising any of its rights hereunder will not constitute a waiver thereof, unless such waiver is in writing and signed by CIT, or bar CIT from exercising any of its rights at any time. No course of dealing between the Company and CIT shall change or modify this Security Agreement. A waiver on any one occasion shall not be construed as a bar to or waiver of any right or remedy on any future occasion. This Security Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original and, all of which, when taken together, shall constitute but one and the same agreement. Delivery of an executed counterpart of this Security Agreement by electronic transmission in "PDF" or other imaging format shall be equally as effective as delivery of an original executed counterpart of the Security Agreement. This Security Agreement may be executed and authenticated by each party by electronic or digital means, and each of us expressly consents to the use of an electronic version of this agreement to embody the entire agreement and understanding between us. An authorized, electronically-affixed or digitally-affixed signature, when received shall be binding for all purposes as if an original signature.

IN WITNESS WHEREOF, the parties hereto have duly executed this Security Agreement as of the date first above written.
