TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT, dated as of July 31, 2020, is made by the entity listed on the signature pages hereof ("Grantor"), in favor of LBC Credit Agency Services, LLC, in its capacity as Agent under the Credit Agreement described below ("Agent").

WITNESSETH:

WHEREAS, pursuant to a certain Credit Agreement dated as of July 31, 2020 among the Borrower, Agent and Lenders (as the same may be amended, restated, modified or supplemented and in effect from time to time, the "Credit Agreement"), Lenders have agreed, subject to the satisfaction of certain conditions precedent, to make Loans to Borrower;

WHEREAS, Grantor has agreed, pursuant to that certain Security Agreement dated as of July 31, 2020 in favor of Agent (as such agreement may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), to guarantee the Obligations (as defined in the Credit Agreement) of Borrower; and

WHEREAS, Grantor is party to the Security Agreement pursuant to which Grantor is required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce Agent and each Lender to enter into the Credit Agreement and make extensions of credit to Borrower thereunder, Grantor hereby agrees with Agent and each Lender as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral. Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of Grantor, hereby mortgages, pledges and hypothecates to Agent, and grants to Agent a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor, but excluding any Excluded Property of Grantor (the "Trademark Collateral"):

(a) all of its Trademarks and all Intellectual Property licenses providing for the grant by or to Grantor of any right under any Trademark, including, without limitation, those referred to on Schedule 1 hereto;

(b) all renewals and extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

(d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to

sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to Agent pursuant to the Security Agreement and Grantor hereby acknowledges and agrees that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and Intellectual Property licenses subject to a security interest hereunder.

Section 5. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new Trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Without limiting Grantor's obligations under this Section, Grantor hereby authorizes Agent unilaterally to modify this Agreement by amending Schedule I to include any such new Trademarks rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

Section 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart. Receipt by telecopy or electronic mail of any executed signature page to this Trademark Security Agreement shall constitute effective delivery of such signature page. This Trademark Security Agreement to the extent signed and delivered by means of a facsimile machine or electronic mail (including ".pdf" files) shall be treated in all manner and respects and for all purposes as an original agreement or amendment and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. No party hereto shall raise the use of a facsimile machine or electronic mail (including ".pdf" files) to deliver a signature or the fact that any signature or agreement or amendment was transmitted or communicated through the use of a facsimile machine or electronic mail (including ".pdf" files) as a defense to the formation or enforceability of a contract and each such party forever waives any such defense.

Section 7. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the laws of the State of New York (without regard to conflict of law principles other than Section 5-1401 and Section 5-1402 of the General Obligations Law of the State of New York).

[Signature Pages Follow]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
