B. Pursuant to each related Security Agreement, the Grantor is required to execute and deliver to the Collateral Agent this Agreement;

C. Pursuant to the terms of each related Security Agreement, the Grantor has granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in substantially all the assets of the Grantor, including all right, title and interest of the Grantor in, to and under all now owned and hereafter acquired trademarks, trademark applications and trademark licenses, and all products and proceeds thereof, to secure the payment of the Obligations (as defined in the applicable Security Agreement).

NOW, THEREFORE, in consideration of the mutual agreements set forth herein and for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Grantor hereby grants to the Collateral Agent, for the benefit of the Secured Parties, to secure the Obligations, a continuing security interest in all of the Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired:
