TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT ("Trademark Security Agreement"), dated as of July 31, 2020, is made by SIMPLY NATURAL SNACKING, LLC, a Delaware limited liability company ("SNS") and AOG, LLC, a Delaware limited liability company ("AOG", together with SNS, collectively, the "Grantors" and each, individually, a "Grantor") in favor of Israel Discount Bank of New York (the "Agent"), located at 511 Fifth Avenue, New York, New York 10017, as agent for the secured parties under the Credit Agreement referred to below (the "Secured Parties").

WHEREAS, the Grantors and AOG INTERMEDIATE HOLDINGS, LLC, a Delaware limited liability company, have entered into a Credit and Security Agreement, dated as of even date herewith (as the same may be further amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), with the Agent and the lenders (the "Lenders") party thereto; and

WHEREAS, under the terms of the Credit Agreement, the Grantor has granted to the Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain intellectual property of the Grantor, and has agreed to execute and deliver this Trademark Security Agreement, for recording with national, federal and state government authorities, including, but not limited to, the United States Patent and Trademark Office;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees with the Agent as follows:

1. Grant of Security. Grantor hereby pledges and grants to the Agent, for the ratable benefit of the Secured Parties, a security interest in and to all of the right, title and interest of Grantor in, to and under the following, wherever located, and whether now existing or hereafter arising or acquired from time to time (the "Trademark Collateral"):

(a) the trademark registrations and applications set forth in Schedule I hereto, together with the goodwill connected with the use of and symbolized thereby and all extensions and renewals thereof (collectively, the "Trademarks"), excluding United States intent-to-use trademark applications to the extent that the grant of a security interest therein would impair the registrability of such applications or the validity or enforceability of registrations issuing from such applications;

(b) any and all royalties, fees, income, payments and other proceeds now or hereafter due or payable with respect to any and all of the foregoing; and

(c) any and all claims and causes of action, with respect to any of the foregoing, whether occurring before, on or after the date hereof, including all rights to and claims for damages, restitution and injunctive and other legal and equitable relief for past, present and future infringement, dilution, violation, misuse, breach or default, with the right but no obligation to sue for such legal and equitable relief and to collect, or otherwise recover, any such damages.

2. Recordation. Grantor authorizes the Commissioner for Trademarks at the United States Patent and Trademark Office and any other government officials to record and register this Trademark Security Agreement upon request by the Agent.

3. Loan Documents. This Trademark Security Agreement has been entered into pursuant to and in conjunction with the Credit Agreement, which is hereby incorporated by reference. The provisions of the Credit Agreement shall supersede and control over any conflicting or inconsistent provision herein. The rights and remedies of the Agent with respect to the Trademark Collateral are as provided by the Credit

Agreement and related documents, and nothing in this Trademark Security Agreement shall be deemed to limit such rights and remedies.

4. Execution in Counterparts. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. Delivery of an executed counterpart of a signature page to this Trademark Security Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Trademark Security Agreement.
