WHEREAS, Assignor desires to assign and transfer to Assignee all right, title and interest of Assignor in and to the Trademark together with the goodwill associated therewith, and Assignee desires to accept such assignment.

1. *Assignment.* NOW, THEREFORE, for good and valuable consideration paid by Assignee to Assignor, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over to Assignee, Assignor's entire right, title and interest in and to the Trademark, together with the goodwill of the Trademark, for the United States (hereinafter the "Territory"), including any renewals or extensions thereof and including the subject matter of all claims which may be obtained therefrom for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment and sale had not been made; together with all income, royalties or payments due or payable as of the effective date of this Assignment or thereafter, including all claims for damages by reason of past, present or future infringement or other unauthorized use, with the right to sue for, and collect the same for its own use and enjoyment, and for the use and enjoyment of its successors, assigns, or other legal representatives.

3. *Further Actions.* Assignor hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting its interest in Trademark assignment and in enforcing any and all protections or privileges deriving from the Trademark ownership. For the sake of clarity, in the event Assignor needs to engage external or internal costs in order to help Assignee in perfecting its interest in and in enforcing the Trademark assignment, these costs will be cross-
