DECLARATION UNDER TMEP SECTION 503.06(b)

1. I, Petros Violaris, Director, BTL Holdings Limited, being warned that willful false statements and the like so made are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the United States Code, and may jeopardize the validity of this application or any resulting registration, declare that I am authorized to make this declaration on behalf of Registrant; that all statements made herein of my own knowledge are true; and all statements made herein on information and belief are believed to be true;

2. BTL Holdings Limited assigned U.S. Trademark Registration Nos. 5688620 and 5688619, for the marks EMSELLA and HIFEM, to BTL Industries, Inc. on December 21, 2018. That assignment was properly recorded with the U.S. Patent and Trademark Office on January 17, 2019, under Reel/Frame 6528/0014.

3. The assignment erroneously identified Assignee BTL Industries, Inc. as a Massachusetts corporation, rather than its correct designation as a Delaware corporation.

4. Accordingly, the parties wish to correct this error with a corrective assignment that deletes Massachusetts and replaces the corporate designation with the state of Delaware, with my initials and date indication to the correction.

5. I have firsthand knowledge of the facts regarding this error in the originally recorded Assignment, and the correction thereto.
