**TRADEMARK SECURITY AGREEMENT**

**Trademark Security Agreement**, dated as of August 5, 2020, by SeaWorld Entertainment, Inc., a Delaware corporation, Sea World LLC, a Delaware limited liability company and SeaWorld Parks & Entertainment LLC, a Delaware limited liability company (each, a “**Grantor**” and collectively, the “**Grantors**”), in favor of Wilmington Trust, National Association, in its capacity as collateral agent pursuant to the Indenture (in such capacity, the “**Collateral Agent**”).

**WITNESSETH:**

WHEREAS, the Grantors are party to a Second Lien Security Agreement dated as of August 5, 2020 (as amended, amended and restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”) in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Indenture, each Grantor hereby agrees with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Article 9 Collateral (excluding any Excluded Assets) of such Grantor:

(a) Trademarks of the Grantor, including, without limitation, those listed on Schedule I attached hereto (hereinafter, the “**Trademark Collateral**”);

provided, however, that the foregoing grant of security interest does not and will not cover any Trademark applications filed in the USPTO on the basis of any Grantor’s “intent-to-use” such Trademark, unless and until acceptable evidence of use of such Trademark has been filed with and accepted by the USPTO pursuant to Section 1(c) or Section 1(d) of the Lanham Act (15 U.S.C. § 1051, et seq.), to the extent that granting a lien in such Trademark application prior to such filing would adversely affect the enforceability, validity, or other rights in such Trademark application.

SECTION 3. The Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Collateral Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination.
