The Bank agrees to take all further actions, and provide to Grantor and its successors, assigns and legal representatives all such cooperation and assistance, including, without limitation, to execute and deliver to Grantor all other deeds, assignments, and other instruments or additional documents as may be necessary or proper to release the Bank's lien in and security interest in the IP Collateral, and to confirm, effectuate or record this Release. Grantor, and any other person or entity hereafter having any right, title or interest in IP Collateral, is hereby authorized to record this Release with the United States Patent and Trademark Office.
