Schedule 1.5

ASSIGNMENT OF TRADEMARKS

This Assignment of trademarks (the "Assignment") is executed, acknowledged and delivered by **Bugbear Entertainment Oy**, a Finish corporation, with principle offices located at Ratamestarinkatu 11, FI-00520 Helsinki, Finland (hereinafter collectively referred to as "Assignor") to **Embracer Group AB**, a Swedish corporation with its principal place of business located at Älvgatan 1, SE-65225 Karlstad, Sweden ("Assignee").

WHEREAS, Assignor is willing to assign to Assignee certain trademark and name in Schedule 1.5 below (the "Marks"); and

WHEREAS, Assignee desires to acquire all right, title and interest of Assignor in, to and under the Marks and the goodwill with which they are associated and which is symbolized by the Marks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

Assignor does hereby assign, transfer and convey to Assignee, and Assignee hereby accepts, all right, title and interest of Assignor in, to and under the Marks throughout the world, any registrations and applications for registration thereof, and the goodwill of the Assignor as related to the Marks and symbolized thereby, free and clear of all liens; all rights to apply for registrations for any thereof and any other rights corresponding thereto with full benefit of priority therein as may now or hereafter be granted to it by law, treaty or other international convention; and all rights, interests, claims and demands recoverable in law or equity, that Assignor has or may have in profits and damages for past, present and future infringements of the Marks, including, without limitation, the right to compromise, sue for and collect such profits and damages; the same to be held and enjoyed by Assignee, its successors and assigns (actual or deemed) or their legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

Assignor hereby agrees that it shall itself from time to time, execute and deliver to Assignee such additional instruments, documents, conveyances or assurances and take such other action as shall be necessary or otherwise reasonably requested by Assignee to render effective this assignment and vest in Assignee beneficial and record title to the Marks, and to put Assignee in actual possession and operating control of such Marks.

Assignor hereby represents and warrants to Assignee that the Marks are validly registered and that the Assignor has not assigned such Marks to any third party, including without limitation, all goodwill applicable thereto, free and clear of any liens or encumbrances. Assignor does not represent or warrant that there are no third party rights that may be of older priority than the respective Marks nor that the Marks will be fully valid throughout their registration period. However, until today the Assignor guarantees that according to his knowledge no claims of third parties have been put forward against the Assignor with regard to an alleged trademark infringement because of the use and/or registration of the Marks.

This Assignment shall be binding upon Assignor and its successors and assigns (actual or deemed) and shall inure to the benefit of Assignor and Assignee and their respective successors and assigns (actual or deemed). Assignee shall have the right to assign this Assignment at its sole discretion.

This Assignment is entered into pursuant to and is subject to all of the terms of the Purchase Agreement, and nothing herein shall be deemed to modify any of the representations, warranties, covenants and obligations of the parties thereunder. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed as of this February 28, 2020.
