TRADEMARK ASSIGNMENT

This **TRADEMARK ASSIGNMENT** (“**Assignment**”) is made effective as of August 9, 2020 (the “**Effective Date**”), by Catherine Cora (p/k/a Cat Cora) (“**Assignor**”), and Corlich Enterprises, a California corporation (“**Assignee**”).

STATEMENT OF FACTS

Assignor owns the trademarks, applications, and registrations set forth in Exhibit A attached hereto and incorporated herein, (collectively, the “**Marks**”).

Assignor wishes to transfer and assign to Assignee all of her right, title and interest in and to the Marks and all applications and registrations (pending, current, expired, or cancelled) relating to the Marks along with all goodwill associated with the Marks, and the parties wish to evidence this absolute transfer of rights by this instrument of assignment.

ASSIGNMENT

In consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency are hereby acknowledged, Assignor agrees to and does hereby irrevocably and unconditionally sell, assign, and transfer to Assignee, and Assignee hereby accepts, (i) Assignor’s entire worldwide right, title and interest in and to the Marks; (ii) together with all the goodwill of the business associated therewith and symbolized thereby; (iii) all trademark registrations (whether active, expired, or cancelled) and trademark applications Assignor has filed in the United States Patent and Trademark Office or any state trademark office or in any foreign countries with respect to the Marks, along with any priorities, rights or registrations resulting therefrom; (iv) including that portion of the business to which the trademark pertains, which business is ongoing and existing, for any pending U.S. trademark applications which as of the Effective Date are “intent-to-use” applications; and, (v) any and all rights and causes of action to recover and retain past, present, or future damages, royalties, fees, profits, or other relief, including equitable or injunctive relief, arising from infringement of the Marks by a third party and to which Assignor is or would have been entitled had the Assignment not been made.

Assignor agrees, for itself and its successors, with said Assignee and its successors and assigns, but at Assignee’s or their expense and charges, hereafter to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of registered trademarks and service marks in the United States and in all other countries to Assignee, in such form as shall be approved by the counsel of Assignee and to vest and confirm in Assignee its successors and assigns, the legal title to all such trademarks and service marks. Assignor hereby further authorizes and grants an irrevocable limited power of attorney, being coupled with an interest, to Assignee’s then-current CEO and to Assignee’s intellectual property counsel, Jason A. Bernstein of Barnes & Thornburg LLP, and the respective designees of each, to execute on Assignor’s behalf any documents necessary to evidence the assignment granted herein for the United States or any other country without further notice or consideration to Assignor.

The undersigned party executing on behalf of Assignor represents and warrants that he/she has full requisite authority to execute this Assignment on behalf of Assignor and to obligate Assignor to its terms. The background Statement of Facts forms a material part of this Agreement.

IN WITNESS WHEREOF, Assignor has, executed this Assignment effective on the Effective Date.

Assignor: **Catherine Cora**
