ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY

This **ASSIGNMENT AND ASSUMPTION OF INTELLECTUAL PROPERTY AGREEMENT** (this "Assignment"), dated as of May 31, 2018, is by and among Camber Holding Corporation, a Delaware corporation ("Assignor"), and Compro Computer Services, Inc., a Florida corporation ("Assignee").

RECITALS

WHEREAS, Assignee and Assignor entered into an Asset Purchase Agreement, dated as of the date hereof (the "Agreement"), pursuant to which, among other things, Assignor has agreed to assign to Assignee, and Assignee has agreed to assume, as of the Effective Time, certain assets, including certain rights in intellectual property owned by Assignor; and

WHEREAS, in accordance with the Agreement, Assignee desires to ensure the proper assignment and conveyance of all of the Product IP (as defined in the Agreement and identified on Exhibit A attached hereto), together with all goodwill associated therewith, any rights of Assignor to sue and recover for past, present or future infringements or misappropriations of any Product IP and all rights of Assignor to trade secret information, confidential information and proprietary information related to the Product IP (collectively, the "Assigned Intellectual Property").

NOW THEREFORE, in consideration of the mutual covenants set forth in this Assignment, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee, intending to be legally bound, hereby agree as follows:

1. Defined Terms. All capitalized terms used and not otherwise defined herein shall have the meanings given such terms in the Agreement.
2. Assignment. Assignor (on behalf of itself and its wholly-owned subsidiary, Camber Corporation) hereby assigns, transfers, conveys, delivers and grants unto Assignee, its successors and assigns, the Assigned Intellectual Property.
3. Assumption. Assignee hereby assumes and accepts from Assignor, the Assigned Intellectual Property.
4. Relation to Agreement. This Assignment is being delivered pursuant to the Agreement and is subject, in all respects, to the terms and conditions of the Agreement. This Assignment shall not in any way supersede the Agreement, which remains in full force and effect pursuant to its terms and the parties thereto shall have the rights, duties and obligations provided for thereunder. In the event of any inconsistency between this Assignment and the Agreement, the Agreement shall control and prevail.
5. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of a signature page to this Assignment by

facsimile or by electronic mail image (e.g., ".pdf") shall be effective as delivery of a manually executed counterpart of this Assignment.

6. Governing Law. Each party hereto agrees that governing law, venue and all legal proceedings concerning the construction, validity, enforcement and interpretation of this Assignment will be determined in accordance with, and subject to, Article VIII of the Agreement.
