THIS TERMINATION OF SECURITY INTEREST IN PATENTS AND TRADEMARKS, dated as of November 5, 2018, is made by NORTH MILL CAPITAL LLC, a Delaware limited liability company ("Lender").

WHEREAS, STANLEY FURNITURE LLC (f/k/a Churchill Downs LLC), a Delaware ("Owner") has granted a security interest in certain personal property to Lender, including without limitation, a security interest in certain patents and patent applications (the "Patents") and certain trademarks, service marks and trade names (the "Trademarks");

WHEREAS, the security interest granted to Lender was recorded at the United States Patent and Trademark Office (a) as to the Patents, on March 13, 2018 at Reel 045186 and Frame 0381 and (b) as to the Trademarks, on March 13, 2018 at Reel 6290 and Frame 0671; and

WHEREAS, Lender has agreed to terminate and release its security interest in all of such Patents and Trademarks, including, without limitation, the Patents and Trademarks identified on Exhibit A and Exhibit A-I attached hereto.

NOW, THEREFORE, for valuable consideration, Lender hereby terminates and releases all mortgages, liens, and security interests granted to Lender in the following:

With respect to the Patents:

(a) all patents and patent applications, domestic or foreign (the "Patents"), all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such patent and patent applications described in Exhibit A attached hereto), all future patents, registrations and applications for the protection of inventions and designs hereafter acquired by, granted to, or filed by Assignor which are based upon, derived from or are variations of any invention or designs disclosed in the Patents, all rights to sue for past, present or future infringement thereof, all rights pertaining thereto, and all reissues, divisions, continuations, renewals, extensions and continuation-in-part thereof;

(b) all general intangibles and all intangible intellectual or other similar property of Assignor of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

(c) all proceeds of any or all of the foregoing Collateral (including license royalties, rights to payments, accounts and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance (whether or not Assignee is the loss payee thereof) or any indemnity warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Collateral;

With respect to the Trademarks:

(d) all state (including common law), federal and foreign trademarks, service marks and tradenames, and application registration of such trademarks, service marks and trade names (but excluding any application to register any trademark, service mark or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark, service mark or other mark to the extent the creation of a security interest therein or the grant of a mortgage thereon would void or invalidate such trademark, service mark or other mark) (the "Trademarks"), all licenses relating to any of the foregoing and all income and royalties with respect to any licenses (including such marks, names and applications described in Exhibit A-I attached hereto), whether registered or un registered and wherever registered, all rights to sue for past, present or future infringement or unconsented use thereof, all rights arising therefrom and pertaining thereto and all reissues, extensions and renewals thereof;

(e) all right of action, claims for damages, profits and costs, all other demands for any sum or sums of money whatsoever which it has or may have either at law or in equity, against any and all persons, firms, corporations and associations by reason of claims of infringement upon, or unconsented use of, said Patents and Trademarks;

(f) the entire goodwill of or associated with the business now ore hereafter conducted by Assignor connected with and symbolized by any of the aforementioned properties and assets;

(g) all general intangibles and all intangible intellectual or other similar property of Assignor of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above;

(h) all proceeds of any or all of the foregoing Collateral (including license royalties, rights to payments, accounts and proceeds of infringement suits) and, to the extent not otherwise included, all payments under insurance (whether or not Assignee is the loss payee thereof) or any indemnity warranty or guaranty payable by reason of loss or damage to or otherwise with respect to the foregoing Collateral
