TRADEMARK ASSIGNMENT

This Trademark Assignment ("Assignment"), dated as of August 19, 2020 ("Effective Date") is entered into by and between RT Brands, LLC, a Tennessee limited liability company ("Assignor"), and Everyone Must Use, LLC, a Wyoming limited liability company ("Assignee").

WHEREAS, Assignor currently owns all rights and interests in and to the trademarks listed in Schedule A hereto, and all applications and registrations thereto, and the goodwill of the business symbolized thereby (the "Marks");

WHEREAS, the Assignor desires to assign all of its collective rights and interests in and to the Marks throughout the World to Assignee, together with all business to which the Marks pertain;

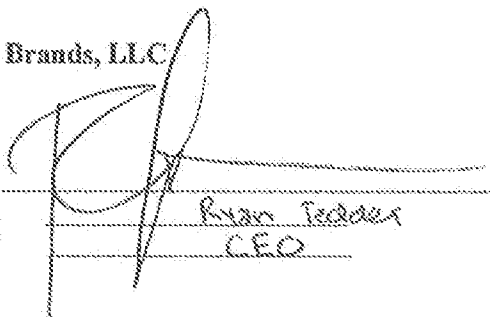

NOW, THEREFORE, effective as of the Effective Date, for good and valuable consideration, the parties hereto agree as follows:

1. Assignor hereby sells, assigns, and transfers unto Assignee all rights, title and interest, throughout the world, in and to the Marks and any stylizations, designs or the like associated therewith, including, without limitation: (a) all common law and statutory rights therein, and specifically including the Certificates of Registration duly and legally issued by the USPTO and OHIM, and any and all renewals thereof; (b) the goodwill attaching to the Marks; (c) all claims for damages by reason of past and future infringement, and the right to sue for and the right to collect the same for Assignee's own use and behalf, and for the use and benefit of its successors, assigns, or legal representatives; (d) the right to defend the Marks and the registrations thereof, all of the foregoing rights, titles and interests to be held and enjoyed by Assignee, for Assignee's own use and benefit and for the use and benefit of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment, transfer and conveyance had not been made; and (e) all business to which the Marks pertain.
2. Assignor represents that: (a) it has the authority to enter this Assignment; (b) it knows of no current or effective licenses, assignments, security interests, or other encumbrances of or relating to the Marks; and (c) it knows of no other person or entity which has the right to use, or has made any claim pertaining to the right to use the Marks.
3. Assignor expressly agrees to execute, acknowledge, and deliver such documents and other instruments as may be requested by Assignee to evidence or effectuate the sale, assignment, transfer, conveyance, and delivery of the Marks to Assignee.
