PATENT AND TRADEMARK SECURITY AGREEMENT

This Agreement is made as of August 28, 2020 by and among Citrus World, Inc., a Florida cooperative corporation (“**Citrus World**”), the undersigned direct and indirect subsidiaries of Citrus World (together with Citrus World, collectively, the “**Debtors**” and each a “**Debtor**”), and CoBank, ACB, a federally chartered instrumentality of the United States, as Administrative Agent (in such capacity, the “**Administrative Agent**”) for the Secured Parties, as defined in the Credit Agreement described below.

Pursuant to a Credit Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”) among the Debtors, the Lenders (as defined therein) from time to time party thereto and the Administrative Agent, the Lenders have agreed to make advances and grant certain other financial accommodations to the Debtors.

As a condition to making credit accommodations under the Credit Agreement, the Lenders required the execution and delivery by the Debtors of a Security Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), pursuant to which the Debtors granted to the Administrative Agent a security interest in substantially all of the Debtors’ personal property.

Pursuant to the Security Agreement, the Debtors have been requested to execute and deliver this Agreement to the Administrative Agent.

ACCORDINGLY, in consideration of the mutual covenants contained in the Credit Agreement, the Security Agreement and this Agreement, the parties hereby agree as follows:

1. Definitions.

Terms defined in or pursuant to the Security Agreement and not otherwise defined herein shall have the meanings given them in or pursuant to the Security Agreement. In addition, the following terms have the meanings set forth below:

“**Patent**” means any patent or application for patent.

“**Patent and Trademark Collateral**” means all right, title and interest of each Debtor in and to the following, in each case whether now existing or hereafter acquired or arising:

- (i) All Patents, including the Specified Patents.
- (ii) All Trademarks, including the Specified Trademarks
- (iii) All accounts and other rights to payment (including but not limited to payments of royalties) arising from or relating to any Patent or Trademark.
- (iv) All rights to recover for all past, present, and future infringements, dilutions, pre-issuance recoveries and other violations of Patents and Trademarks.
- (v) All present and future license agreements with respect to the Patents and Trademarks.
- (vi) All proceeds of any and all of the foregoing.

“**Specified Patent**” means each of the Patents listed on Schedule A, together with all continuations, continuations-in-part, divisions, foreign counterparts, reissues, reexaminations, renewals and extensions thereof.

“**Specified Trademark**” means each of the Trademarks listed on Schedule B, together with all divisions, foreign counterparts, renewals and extensions thereof.

“**Trademark**” means any trademark, service mark, collective membership mark, and registration or application for registration of any trademark, service mark or collective membership mark, together with the goodwill associated therewith.

2. Grant of Security Interest.

In order to secure the Secured Obligations, each Debtor hereby confirms and acknowledges that it has granted and created (and, to the extent not previously granted under the Security Agreement, does hereby irrevocably grant and create) a security interest in the Patent and Trademark Collateral to the Administrative Agent.

3. Representations and Warranties.

Each Debtor represents and warrants that such Debtor owns each of the Specified Patents and Specified Trademarks, free and clear of any Lien other than Permitted Liens.

4. General Rights and Obligations.

Except as expressly set forth herein, the rights and obligations of the Debtors and the Administrative Agent with respect to the Patent and Trademark Collateral shall in all respects be governed by the Credit Agreement and the Security Agreement, the terms of which are incorporated as fully as if set forth at length herein.

Signature pages follow.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date written above.
