## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT is made as of August 31, 2020, between Wallner Expac, Inc., a California corporation (the “Grantor”), and MUFG Union Bank, N.A., a national banking association (together with its successors and assigns, the “Bank”).

WHEREAS, pursuant to that certain Credit Agreement, dated as of the date hereof (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), by and among the Bank, the Grantor, and Wallner Holdings Corp., a California corporation (“Holdco” and together with Grantor, jointly and severally, individually and collectively, the “Borrower”), the Bank is willing to make certain financial accommodations available to the Grantor from time to time pursuant to the terms and conditions thereof; and

WHEREAS, as a condition precedent to the making of such financial accommodations, the Grantor is required to execute and deliver to the Bank that certain Security Agreement, dated as of the date hereof (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the “Security Agreement”); and

WHEREAS, pursuant to the Security Agreement, the Grantor is required to execute and deliver to the Bank this Trademark Security Agreement for the purpose of filing at the United States Patent and Trademark Office;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Loan Agreement.

2. Grant Of Security Interest In Trademark Collateral. The Grantor hereby grants, mortgages, pledges and hypothecates to the Bank, for the benefit of the Bank, a continuing security interest and lien in all of Grantor’s right, title and interest in and to the following, whether now owned or hereafter acquired or arising and wherever located (collectively, the “Trademark Collateral”):

(i) any and all of the Grantor’s pending and registered U.S. Trademarks listed on Schedule I hereto; (ii) all pending applications, registrations, and renewals thereof, (iii) all income, royalties, damages and payments now and hereafter due or payable under and with respect thereto, including payments under all licenses entered into in connection therewith and damages and payments for past or future infringements, dilutions or other violations thereof, (iv) the right to sue for past, present and future infringements, dilution or other violations thereof, (v) the goodwill of each Grantor’s business symbolized by the foregoing and connected therewith and (vi) all of each Grantor’s rights corresponding to the foregoing throughout the world; provided, however, that the foregoing grant of security interest will not cover any intent-to-use United States trademark application for which an amendment to allege use or statement of use has not been filed or, if filed, has not been deemed in conformance with 15 U.S.C. §1051(a) or examined and accepted by the United States Patent and Trademark Office.

3. Security For Obligations. This Trademark Security Agreement and the security interest created hereby secures the payment and performance of all of the Grantor's obligations to the Bank, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Loans.

4. Security Agreement. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to the Bank pursuant to the Security Agreement. The Grantor hereby acknowledges and affirms that the rights and remedies of the Bank with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same agreement. In proving this Trademark Security Agreement in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures hereto delivered by .pdf or electronic transmission shall be deemed an original signature hereto.

6. Governing Law. All matters arising out of, in connection with or relating to this Trademark Security Agreement, including, without limitation, their validity, interpretation, construction, performance and enforcement (including, without limitation, any claims sounding in contract or tort law arising out of the subject matter hereof or thereof and any determinations with respect to post-judgment interest), shall be construed in accordance with and governed by the laws of the State of California.

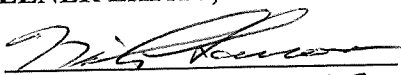

7. Construction. Each definition of an agreement in this Trademark Security Agreement shall include such instrument or agreement as amended, restated, supplemented or otherwise modified from time to time with, if required by the Loan Documents, the prior written consent of the Bank. Except where the context otherwise requires, definitions imparting the singular shall include the plural and vice versa. The words "hereof", "herein" and "hereunder" and words of similar import when used in this Trademark Security Agreement shall refer to this Trademark Security Agreement as a whole and not to any particular provision of this Trademark Security Agreement, unless otherwise specifically provided herein. The words "include", "includes" and "including" shall be deemed to be followed by the phrase "without limitation", whether or not so expressly stated in each such instance. The word "will" shall be construed to have the same meaning and effect as the word "shall". "Writing", "written" and comparable terms refer to printing, typing, computer disk, e-mail and other means of reproducing words in a visible form. Except where otherwise specifically restricted, reference to a party to a Loan Document includes that party and its successors and permitted assigns. All terms used herein which are defined in Article 9 of the UCC of California and which are not otherwise defined herein shall have the same meanings herein as set forth therein.
