TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT (“Agreement”) is made and entered into as of August 28, 2020, by and among Northstar Holdings Inc., Bluestem Brands, Inc., the other entities identified as “Assignors” on the signature pages hereto (each an “Assignor” and collectively, “Assignors”), and BLST Holding Company LLC (“Assignee”).

WHEREAS, Assignors are the owners, as applicable, of the entire right, title, interest and goodwill in and to all of their respective trademarks, either registered, pending or at common law, including, without limitation, the trademarks identified on Schedule A attached hereto (collectively, the “Trademarks”);

WHEREAS, this Agreement is made and entered into in connection with the Closing of the transactions contemplated by that certain Asset Purchase Agreement, dated as of March 8, 2020 (as amended, amended and restated, supplemented, or otherwise modified, the “Purchase Agreement”), by and among BLST Operating Company, LLC (“Purchaser”) and each other Person that is a signatory thereto, including, without limitation, Assignors;

WHEREAS, capitalized terms used but not defined herein shall have the respective meanings given to such terms in the Purchase Agreement;

WHEREAS, pursuant to the Purchase Agreement, each Assignor has agreed to sell, transfer, assign, convey and deliver to Purchaser, and Purchaser has agreed to purchase, acquire and accept from each Assignor, all of such Assignor’s direct or indirect right, title and interest in, to and under certain assets (including, without limitation, the Trademarks);

WHEREAS, pursuant to Section 11.9 of the Purchase Agreement, the Purchaser has designated the Assignee, and assigned to the Assignee certain rights under the Purchase Agreement, to acquire the Purchased Assets (including, without limitation, the Trademarks) of Assignors in accordance with that certain Assignment and Assumption of Asset Purchase Agreement, dated as of the date hereof, by and among the Purchaser, Assignee, and other parties thereto (the “Purchaser Assignment Agreement”);

WHEREAS, as provided in Section 11.9 of the Purchase Agreement, the assignments by Purchaser described in the preceding recital did not relieve Purchaser of liability for the Assumed Liabilities or any of Purchaser’s other obligations under the Purchase Agreement;

WHEREAS, the execution and delivery of this Agreement is required by Sections 3.2(d) and 3.3(c) of the Purchase Agreement; and

WHEREAS, this Agreement, as duly executed by each Assignee and each Assignor, is being delivered as of the date hereof by each party hereto to the other party effective as of the Closing.

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Assignor hereby sells, transfers, assigns, conveys and delivers to Assignee, such Assignor’s entire worldwide right, title and interest in and to, including any and all common law rights thereto, as

well as the goodwill of the business symbolized by, the Trademarks, free and clear of all Encumbrances (other than Permitted Encumbrances), as well as any related trademark registrations, trade names, service marks, and/or trademark applications; together with all renewals thereof; all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including, without limitation, damages and payments for past or future infringements thereof; and any and all United States and/or foreign trademark (or service mark) registrations which may be issued on same in the future except for any trademarks or related rights constituting Excluded Assets.

Together with each Assignor's worldwide right, title and interest in and to each of the Trademarks, as well as the goodwill of the business associated with said Trademarks being assigned to Assignee, are the rights to police, monitor and enforce said Trademarks against any and all past, current and future infringements (including, without limitation, the right to sue for and collect damages caused by any such infringement) which may have occurred at any time in the unlimited past, up to the date of this Agreement, together with any and all further privileges in the United States and throughout the world to establish use, ownership, and registration of the Trademarks.

In accordance with Section 8.10 of the Purchase Agreement, Assignors will cooperate with Assignee, as may be reasonably necessary or appropriate to assist and/or to enable Assignee to record or perfect the above-described transfer of Trademark rights, or to secure registration before the United States Patent and Trademark Office or any foreign trademark office, at Assignee's expense.

Each Assignor hereby further authorizes the Commissioner of Patents and Trademarks of the United States, and the appropriate official in any other country, to issue any and all trademark and service mark registrations, amended registrations and renewals that have been or may be granted upon any application or petition for same, to Assignee, and Assignee's successors and/or assigns.

Each assignor hereby grants to the designated attorneys of each Assignee the authority and power to insert on this instrument any further identification which may be necessary or desirable for purposes of recordation by the United States Patent and Trademark Office or the trademark office of any other country throughout the world.

This Agreement is executed and delivered pursuant to the Purchase Agreement. In the event of a conflict between the terms and conditions of this Agreement and the terms and conditions of the Purchase Agreement, the terms and conditions of the Purchase Agreement shall govern, supersede and prevail. Notwithstanding anything to the contrary in this Agreement, nothing herein is intended to, nor shall it, extend, amplify or otherwise alter any representation, warranty, covenant or obligation contained in the Purchase Agreement.

This Agreement is to be governed by and construed in accordance with Federal bankruptcy law, to the extent applicable, and where state law is implicated, the laws of the State of New York shall govern, without giving effect to the choice of law principles thereof (except sections 5-1401 and 5-1402 of the General Obligations Law of the State of New York), including all matters of construction, validity and performance.

For the convenience of the parties hereto, this Agreement may be executed and delivered (by facsimile or PDF signature) in any number of counterparts, each such counterpart being deemed to be an original instrument, and all such counterparts shall together constitute the same agreement.

*[The remainder of this page is intentionally left blank.]*

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed as of the date first set forth above.
